VALUE DRIVEN AUTONOMY, VALUE DRIVEN EMINENCE

Our evolving curriculum, knowledge-based learning, industrial-exposure & training and Capstone evaluation model are driven by the values of eminence. By following assertive attitude towards change, rigorous practice, collaborative learning and advantageous usage of technology value-based educational drive, the College strives to achieve peer-to-peer standards. SKASC in its transition stage, is progressing towards Activity-Based Learning System.

24X7 E/M LEARNING

SKCAC has enabled e-learning and m-learning facilities for students and this includes web-based learning, virtual classroom and digital collaboration. Students can log on to virtual classroom (Myklassroom.com) and learn their subjects 24/7.

LEARNING ARCHITECTURE

The Learning Model Architecture of Sri Krishna Arts and Science College is "Vision to Wisdom Approach". The curriculum design is at par with the UGC standards for Choice Based Credit System (CBCS). The teaching, learning and evaluating systems have been inter-linked with the Capstone education model.
