14th Graduation Day

4.11.2017

Saturday

Mr. Ganesh Ramkumar

Ganesh completed his Bachelor of Commerce from Annamalai University College in the year 1999. He started his career in Standard Chartered Bank. He completed his CA when he was 24. He Joined VITEOS Capital Market Services and set up the fund administration business based out of Chicago at the

age of 25 . He was responsible for the sign up of the first clients building their tech platform strength, creating the Operations model , etc . This put him in the positive spotlight among competitors and he joined Variman LLC a Hedge fund company to build their client service team working out of New York at the age of 26.

He was responsible for implementing the Accounting application in Calypso which was predominantly a custody application. After a short stint in Spectrum Global Administration , he moved to Butterfield Fulcrum in the year 2007 as Head Of Operations and rose to the position of Managing Director in the year 2009 managing Asia operations. In 2013 he moved to a start- up named as Eisner Amper Fund Services as Managing Director New markets and was responsible for setting up and growing fund services business in Asia , middle East and US .

As the outsourcing industry was moving into an area of transformation and upgradation of technology his excellent domain strength coupled with his business development acumen attracted a large brand like HCL and they roped him to be the Vice President and Head of Operations for their JV State Street HCL Services . He creates a service model unique to the needs and desires of the clients which gives them maximum visibility , access to and control of their business . He has added value to the clients business in terms of transformation , assisting in automation & modelling .

Being one of the youngest leaders in industry gives an element of innovation to his leadership style and he is a big advocate of introducing emerging disruptive thought process to transform the business operations under his span
