1. Awards, Accreditations and Recognitions

NAAC Accreditation

An Educational Institution's journey towards its harmonious growth is marked by its performance in NAAC's Assessment and Accreditation Process. The mandate of National Assessment and Accreditation Council (NAAC) as reflected in its vision statement is in making quality assurance an integral part of the functioning of Higher Education Institutions (HEIs).

The NAAC functions through its General Council (GC) and Executive Committee (EC) comprising educational administrators, policy makers and senior academicians from a cross-section of Indian higher education system. Validation by NAAC gives our college, the needed impetus to realize our real capacity and strive towards excellence. In this regard, the growth of SKASC has been rewarded with _A' Grade and a CGPA of 3.36 until 2021.

NIRF Ranking

The National Institutional Ranking Framework (NIRF) by the Ministry of Human Resource Development outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations by a Core Committee set up by MHRD. NIRF has ranked SKASC in 27th among more than 5500 Arts and Science Colleges All over India.

SKASC has always steadily climbed up the rungs of the ladder of success. This year too it proved its mettle by making its mark on the national level by acquiring 27th rank in National Institutional Ranking Framework at the All-India level. This is an enormous feat as it has risen from its 29th position of the previous year. SKASC has been consistently proving its mettle and national recognition vouches for it. 3. Teaching and Learning

Sri Krishna Arts and Science College fully understands that technology is an integral part of higher education and hence it provides opportunities to the students for online learning and utilizes up to date modern learning technologies. These effective uses of learning technologies have ensured highly modern learning and teaching practices followed in the Institution. All the classrooms of the College are smart classrooms with Active smart boards and LCD projectors and the members of the faculty use digital platforms to handle their classes.

Google Classroom

Google classroom is a free blended learning platform to streamline assignments, conduct test and to foster communication. Sri Krishna arts and science College utilise this learning platform in an effective way to educate and engage students during this pandemic. It is a platform that enables a flexible way of learning and teaching. This flexibility and its seamless integration with Google's popular tools are likely what has made Google classroom one of the most widely used ed-tech tools today. The management suggest the teachers to use Google classroom in a broader way, of adding materials such as YouTube videos, Google Forms, PowerPoint presentations and also conduct exams through this portal. The enormous number of Google classrooms were created for both even and odd semester. Sri Krishna arts and science College excels in practicing Google classroom which enables the teachers and students to communicate in a better way.

Google Classroom become a centre for teaching and learning for the teachers and students this year, now using Classroom as their learning management system. Teachers will easily be able to see when a student was last active, including when they last submitted work or participated
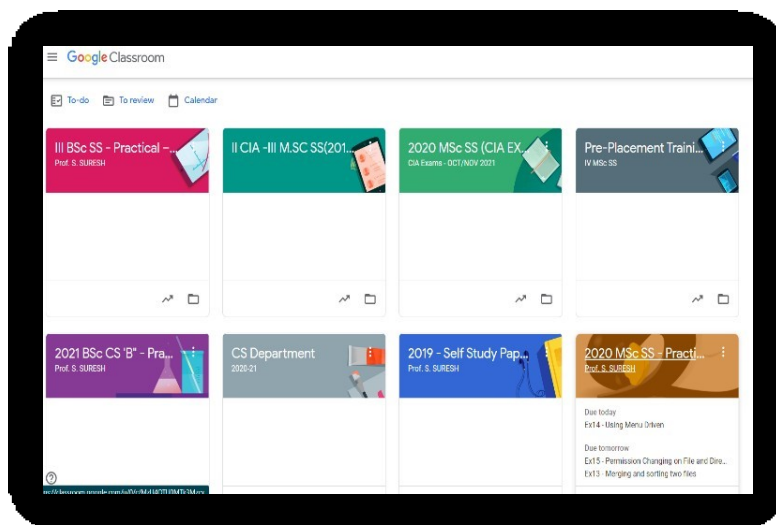

in the class through comments with a student engagement activity dashboard. SKASC makes use of the fairly flexible platform to streamline the classes, to post an assignment with due date, to digitally organise, distribute, monitor and collect assignments, course materials and student works. It also provides a facility to check in with students individually, give timely feedback on assignments and assessments. Google Meet, which is one of the premium features of Google is used extensively for online teaching, virtual meetings and live streaming as well for the students during this Covid 19 pandemic. Discussions in the classroom are more easily facilitated by a student response system that allows teachers to start question-driven discussions on the class's virtual page. Exams are also conducted through google meet. Regular feedback on students' progress is gathered and managed through Google classroom. SKASC is highly watchful about its Security systems and makes sure that the teachers and students are allowed to enter the google classroom only with their official mail ID provided by the college. In a nutshell, having understood the era of globalisation, SKASC has taken its education system to the next level by making complete use of the e-learning facilities provided.

Myklassroom

Myklassroom is a powerful blend of social networking and E-learning, which provides an online collaborative platform for teaching and learning. Myklassroom facilitates the next generation classroom for education institutions, which provides structured access to information, a forum to discuss and assimilate information, online lectures, a faculty to moderate discussions, and 24/7 access to classroom anywhere anytime. Sri Krishna arts and science College uses this powerful learning platform to post regularly conducted test marks, students and teachers who scores high points in Myklassroom will be appreciated by the management. Regular
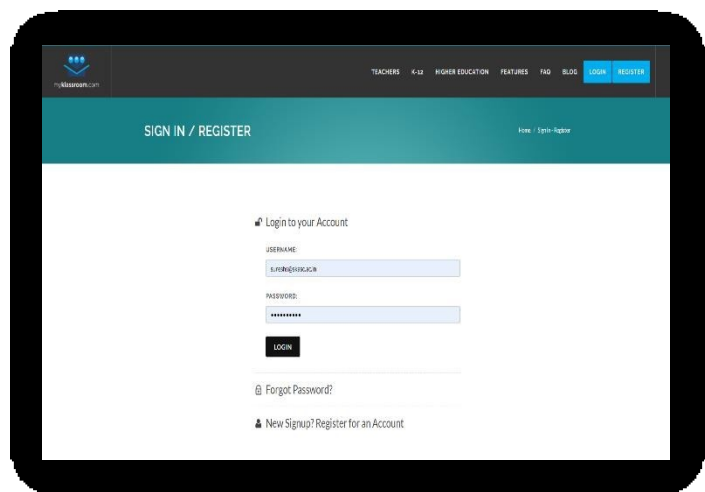

attendance will be posted in this platform. This enables the college to move towards better way of practicing education and also introduce all technical things to the students. The platform provides curated content as supplementary content for the various topic areas the faculty want to address with personalized delivery of content. SKASC trying to understand the student, their skills, their needs, their interest, and map it out to the most relevant content through this platform.

Choice Based Credit System

CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill-oriented papers even from other disciplines according to their learning needs, interests and aptitude and more flexibility for students. Sri Krishna Arts and Science College follows CBCS pattern meticulously, offers various courses to the students such as Specific Elective Courses, Discipline Specific Courses, Value added courses were offered to the students. These courses were utilised by them at the maximum and it helps to enrich their knowledge.

Evaluation

Evaluation is a constant and continuous process in Education and it is a challenging phase in this pandemic. The teaching and learning have under gone a lot of changes from the syllabi to content delivery. The lesson plan for online classes has modified from the regular lesson plan hence every step and aspect of evaluation also customized. The Project Viva-Voce Examinations and practical were conducted online through the existing Infrastructure like Google Meet, Zoom, Cisco meet etc. It was indeed a challenging task for both the students and the invigilators; they took it up cheerfully and succeeded in it. The exams were conducted in the same way as offline exams. Continuous Assessment Tests I and II commence respectively on the 35th and

70th working day of every semester hence SKASC conducted I CIA test on 23.08.2021 and on 04.10.2021 correspondingly for the II, III and PG students. SKASC has been successfully overcoming these hurdles through regular online classes and it has taken a step further in organizing the final year students.

4. End Semester Examination Results

The Controller of Examination is vested with the responsibility of Conducting and Monitoring the Examination related activities of SKASC. Our mission is to provide quality assessment and evaluation support through conducting of examinations, collection and processing of answer scripts, evaluation and publishing results on time. In addition, COE reviews the examination pattern making periodical changes and sets guidelines for the conduct of examination and evaluation from time to time and ensures strict adherence of guidelines by the faculty members.

7. Progression

Progression in any field is mandatory wherein education institute is a place where all the updates take place to progress. The teaching and learning process itself is a complex and dynamic one and requires lot of practice to adapt for changes. Hence the teachers and the students of our institution always keen on knowing the field of their stream and updating their knowledge through involving themselves in various activities. The growth of the institution depends on the knowledge and skills of the faculty and student which is a process by itself and it is constant and consistent. Hence, the management takes intense effort to include major portions of budgeting for training and development of the faculty and students.

The faculty and the students participated in various conferences and seminars conducted by industry and institutions. Many of the faculties are encouraged to present their papers and they were published in many impacts factor journals.

COVID19: Stay Safe Digital Learning Initiatives of MHRD - NPTEL

With the outbreak of COVID-19, the education learners, practitioners, and other stakeholders were at the sake of a loss, as it causes the suspension of physical classes and physical interaction of the learners. In these circumstances, Electronic learning (E-learning), Online learning, and the use of Information and Communications Technology (ICT) tools came in handy. It helped the learners in the dissemination of ideas, conducting online classes, making online discussion forums, and taking online examinations. ˉLearning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.‖ In the voyage of the discovery of excellence in the field of education, our endeavour of keeping the values and to ensure that the students develop their academic skills, our college has taken different initiatives throughout the year.

Massive Open Online Courses by NPTEL and other organisations provide open-end accessibility to the faculty of our Institution to extend their academic pursuit of learning and to enrich their knowledge and skills in order to stay updated to Quality learning. It would enable the teachers to provide the best learning experience to the students.

Significant Contributions

Sri Krishna Arts and Science College (SKASC) is one of the premier leading Colleges in Tamil Nadu and is a part of the elite Sri Krishna Institutions, Coimbatore. It caters to the educational needs of both girls and boys with its excellent academic record and world class infrastructure. It has been ranked **29th** in the **NIRF** rankings 2020 by MHRD, three consecutive years ranked under 100 in NIRF ranking and re-accredited with **'A'** grade by **NAAC** with the score of **3.26**. The College has been ranked **4th in Swachta rankings** 2018 in the College category and also awarded as **'Best Institution' in the 12th National Level Yogasana Festival and Championship-2018.**

India Today has ranked the College **6th in Science and 9th in Commerce Category among the top 100 emerging Colleges of the century,** in its All India Survey. Week Magazine has ranked SKASC **in 5th and 7th**position respectively under **Science and Commerce** category in **Tamil Nadu and 1st among Coimbatore Colleges in 2019.** The College has also been ranked **1st among top 5 Colleges in best male and female ratio by India Today.**

The curriculum of the College has been designed at par with UGC standards of Choice Based Credit System with Cafeteria Approach. The college has adopted Knowledge Centric Learning and Capstone Evaluation Model linked with the Outcome- Based Education which enables the students to be job-ready when they graduate. SKASC has opted e-learning and m-learning facilities for the students which

includes web-based learning, virtual classroom and digital collaboration. The industry ready curriculum helped the College to achieve enviable placement recordby placing the students in top companies all over the world.

Recently the College has been identified by UGC as a mentor institution under Paramarsh scheme to guide five non NAAC accredited colleges and encourage them to get NAAC accreditation.The scheme intends to promote well performing accredited institutions to mentor the NAAC accreditation aspiring institutions to upgrade their academic performance and get accredited. A well designed scheme of Mentor-Mentee relationship will not only benefit both the institutions but also lead to quality education to the 3.6 crore students who are enrolling to Indian Higher Education system at present.

Sri Krishna Arts and Science College is very much privileged to join hands with UGC under Paramarsh scheme, as a mentor institution to fulfill the aspiration of UGC to promote Quality Assurance in Higher Education and enable the non-accredited institutions to get accredited by 2022.

Mentee Institution

As per the UGC guidelines, SKASC has entered in to an agreement with the following 5 mentee institutions in its vicinity, which are non NAAC accredited.

- ➢ Sri Krishna Adithya College of Arts and Science

- ➢ Sri Ramalinga Sowdambigai College of Science & Commerce

- ➢ Kathir College of Arts And Science

- ➢ Michael Job College of Arts & Science for Women

- ➢ Kamban College of Arts and Science

The above Colleges have consented to collaborate with SKASC as mentee institution to upgrade their academic performance and get accredited.

One of the greatest challenges to India's growth trajectory for the next century is the quality of education imparted to the next generation by our Higher Education Institutions. University Grants Commission has dedicated itself to the pursuit of excellence with a specific focus on quality as enshrined in the UGC "Quality Mandate". SKASC takes pride in implementing Parmarsh Scheme to achieve UGC's quality mandate and participate in pursuit to transforming Indian higher education at par with Global Standards.

The following are the activities carried out during the year.

10. Department wise Activities

Technology also has the power to transform teaching by ushering in a new model of connected teaching in this Pandemic period. This model links teacher to their students and also with the professional content, resources and systems, helping them to improve their own instruction and personalize learning. This academic year, various departments have organized workshops, Seminars, Guest Lectures, Pre-placement and conferences.

11. Extension Activities

The college maintains its social cohesiveness through extended activities in the neighbourhood community to sensitize students about social issues. The college consistently promotes participation of students and faculty members in socio-friendly extension activities through various cells and activity centre.

NSS

The NSS unit at SKASC provides a platform to the students and faculty for community work and developing a sense of involvement in the tasks of nation building. A variety of 45 activities through four units are organized every year to channelize the energy and idealism of the younger generation into creative pursuits. The NSS wing organizes activities like Blood Donation Camps, Literacy Classes for children of weaker sections, Leadership Workshops, Summer Camps, National Awareness Programmes, etc.,

NCC

The college provides training to students in N.C.C. in the infantry wing and armoured squadron. Arrangements for training the air wing, naval wing and artillery are also made through 8 events. Enrolment of cadets is made soon after admission to the college.

Clubs

Clubs are a way to express gratitude and bring out one's talent in a unique and interesting manner. Clubs which prove to be the best of the best for both the college as well as the students. There are 17 Clubs like Entrepreneur's club, Nature club, Yoga club, Teacher Development club, Music club etc., are like garnishing over the dish which brings out the feeling of selflessness and the passion of sociability.
