### 4.1 Institution's Innovation Council

Sri Krishna Arts and Science College in association with the Ministry of Human Resource Development (MHRD), Government of India has established 'SKASC - MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of SKASC- MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are in their transformative years.

MIC envisions and encourages the creation of 'Institution's Innovation Council (IICs)'. The SKASC - IIC has been established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campus.

#### Major focus of IIC

- To create a vibrant local innovation ecosystem.
- Start-up supporting Mechanism in HEIs.

- To prepare Institutes for Atal Ranking of Institutions on Innovation Achievements Framework. Establish function ecosystem for scouting ideas and pre-incubation of ideas. Develop better cognitive ability for technology students.

### Functions of SKASC - IIC

- Organize various innovative and entrepreneurship-related activities prescribed by Central MIC in a time-bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and National entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by the institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

## 4.2 UGC Paramarsh Scheme

Sri Krishna Arts and Science College is very much privileged to join hands with UGC under Paramarsh scheme, as a mentor institution to fulfill the aspiration of UGC to promote Quality Assurance in Higher Education and enable the non-accredited institutions to get accredited by 2022.

### Mentee Institutions

According to the UGC guidelines, SKASC has entered into an agreement with the following 5 mentee institutions in its vicinity, which are non-NAAC accredited.

- Sri Krishna Adithya College of Arts and Science, Kovai Pudur, Coimbatore, Tamil Nadu - 641042.
- Sri Ramalinga Sowdambigai College of Science & Commerce, Vadavalli-Thondamuthur Rd, Onappalayam, Tamil Nadu – 641109.

The above Colleges have consented to collaborate with SKASC as mentee institution to upgrade their academic performance and realize their aspiration to get accredited. SKASC takes pride in implementing Paramarsh Scheme to achieve UGC's quality mandate and participate in the pursuit of transforming Indian higher education on par with Global Standards.

## 4.3 Swachhta Action Plan

Swachhta Action Plan is a milestone initiative in mainstreaming Swachhta elements across all sectors of the Government in an elaborate, accountable, and sustained manner to realize the Swachh Bharat of Prime Minister's vision and Gandhiji's dream. In association with Mahatma Gandhi National Council of Rural Education (MGNCRE), Department of Higher Education, Ministry of Human Resource Development (MHRD), Hyderabad, Swachhta Action Plan (SAP) is motivated towards bringing Swachhta in the community. The task on hand is 100%

Achievement in the Practices of Comprehensive Sanitation Management (including ODF) in the 2 adopted villages with which our institution is engaged. Under Swachhta Action Plan 2019, the following activities are slated for Swachhta Awards this year -

- Adoption of 2 villages for Comprehensive Sanitation Management and achievement of 100% sanitation
- Documentation of the efforts and success in these 2 adopted villages in the form of caselet or case study.
- Video recording of these 2 adopted villages and stories thereof that will be used as part of academic courses.

These activities will also allow experiential learning for students of Higher Education Institutions which are going to initiate an MBA (Waste Management and Social Entrepreneurship), the curriculum for which has been developed by MGNCRE. The deliverables will allow active involvement in the implementation of the program to ensure the achievement of targets set for the villages adopted by us.

#### **4.4 Unnat Bharat Abhiyan**

Unnat Bharat Abhiyan, an MHRD initiative, was launched with an aim to connect institutions of higher education with local communities to address the development challenges through appropriate technologies.

Under the Unnat Bharat Abhiyan, Sri Krishna Arts and Science College is engaged in enriching the rural areas around the district of Coimbatore. The College has identified villages such as Booluvapatti and Pachaanyaval to contribute to their economic and social betterment using its knowledge base. The College's UBA team has carried out various activities such as door to door survey, interviews, and meetings to identify the problems of the villagers. Issues such as Road connectivity and transportation, sanitation and cleanliness, water and solar light problems were identified and solutions were discussed. The UBA team also conducted Mega Clean-Up rally, Awareness Campaigns, Waste Collection Drive, and Pamphlet Distribution to bring a transformational change in these villages.

## 8. Memorandum of Understanding

Memorandum of Understanding is a type of agreement between two or more organizations to have a common mode of action with a distinguished purpose. This collaboration helps to improve the efficiency of both organizations. The goal of an MoU is to bring advanced academic culture into an educational institution as well as to share the innovative methods followed. Sri Krishna is unique in having MoUs with different reputed national and international bodies (both governmental and non - governmental) facilitating the students to acquire versatile knowledge in this technologized world both theoretically and practically. It also helps the scholars to visit the industries and get trained by the connoisseurs directly, which perks them and gives them a thorough acquaintance of a particular unit. Signing an MoU improves the performance in placement which is the soul of an institution. In other cases, the industrial/academic professionals are invited to the college as BoS members to design the syllabus based upon the current requirement and train the faculty members to facilitate the students. The following organizations have signed MoUs with Sri Krishna Arts and Science College

### MoU Details

### Outcome of MoU's

The Memorandum of Understanding provides various benefits to the students and the faculty members by,

- Giving an opportunity to meet and discourse with the industrialists.
- Taking the students to the next level of education with industrial training and placement training.
- Including the industrialists in the Board of Studies.
- Designing the curriculum based on the placement requirements benefitting the students, faculty members and the college to a great extent.
- Creating Entrepreneurs.
- Train the Teacher programmes.
- Establishing Industry readiness among the students.

## 9. Placement

With the objective of 100% campus placement, Sri Krishna Arts and Science College provides opportunities for the final year students to secure jobs even before their graduation. The College's endeavour is evident through the placement growth record.

## 10. Progression

### 10.1 Faculty Progression

Progress lies not in enhancing what is, but in advancing toward 'what will be'. – Kahlil Gibran

Teaching is one of the greatest altruistic professions and its key role is to nurture the talents of the students, to overcome the disadvantage of their backgrounds, and to share with them our joyful love of learning, to make them the leaders of the world in their own respects.

With the changing scenario of education, a teacher's role is ever evolving. Apart from the traditional role of delivering lectures in the classroom and Moulding the students into responsible citizens, a teacher needs to move up the academic ladder and never stop one's academic pursuit. In order to become a truly great teacher, one must go beyond the textbooks and attend workshops, conferences, Faculty Development Programs, promote and pursue research. Professional development for faculty is critical for their success both in the classroom and in their scholarly pursuits. At Sri Krishna Arts and Science College, the faculty members realize the importance of moving up the academic ladder, participate in events that improve their knowledge and skills and involve in research activities that positively impact the society.

### 10. 2. 7 MOOC / NPTEL COURSES

MOOC is massive open online courses which are freely available for anyone to enroll. It provides an affordable and flexible way to learn new languages, skills, to advance one's career and attain quality educational experiences. The Students for Sri Krishna Arts and Science College have largely enrolled themselves in this digital learning portal.

As a part of curriculum innovation, MOOC course is included in UG and PG Syllabi where a student should compulsorily complete one course during the course of study. Apart from completing one compulsory MOOC, students can take any number of online courses offered in SWAYAM/NPTEL portal and earn additional credits. When a student takes more number of online courses, the first course will be taken for compulsory MOOC and subsequent MOOCs are given additional credits in the same semester upon clearing the exam and submitting the certificate at least 15 days before the release of semester examination results. In the Academic year 2019-20, **6000** students have registered and appeared for various MOOC courses such as NPTEL, Coursera, Edx.

## 12. Teaching and Learning

Sri Krishna Arts and Science College fully understands that technology is an integral part of higher education and hence it provides opportunities to the students for online learning and utilizes up to date modern learning technologies. These effective uses of learning technologies have ensured highly modern learning and teaching practices followed in the institution. All the classrooms of the College are smart classrooms with Active smart boards and LCD projectors and the members of the faculty use digital platforms to handle their classes.

### 12. 1 Google Classroom

Google Classroom is a web service developed by Google for Educational Institutions that aim to simplify creating, distributing and grading assignments in a paperless way. The primary purpose of Google Classroom is to streamline the process of sharing files between teachers and students. It combines Google Drive for assignment creation and distribution, Google Docs, Sheets and Slides for writing, Gmail for communication, and Google Calendar for scheduling. Sri Krishna College of Arts and Science is one of the most effective users of Google Classroom. The Students of our college are invited to join Google class through a private code. Each class creates a separate folder in the respective user's Drive, where the student submits work to be graded by a teacher. Mobile apps, available for iOS and Android devices which let the students to take photos and attach assignments, share files from other apps, and access information offline. Teachers can monitor the progress for each student, and after grading, teachers can return the student's work, along with comments.

### 12. 2 Myclassroom

Sri Krishna Arts and Science College also uses another digital platform in addition to Google Classroom called as Myclassroom. It is a powerful blend of Social networking and E-learning. It provides an online collaborative platform for teaching and learning. It facilitates the next generation classroom, which would provide structured access to information, a forum to discuss and assimilate information, online lectures, a faculty to moderate discussions, and 24/7 access to classrooms anywhere anytime. All this is because we believe that "A classroom is much more than just a blackboard." And it has brought the real classroom experience online. With such innovative classroom experience, the students come out with flying colours. It is evident through the academic results of our students.

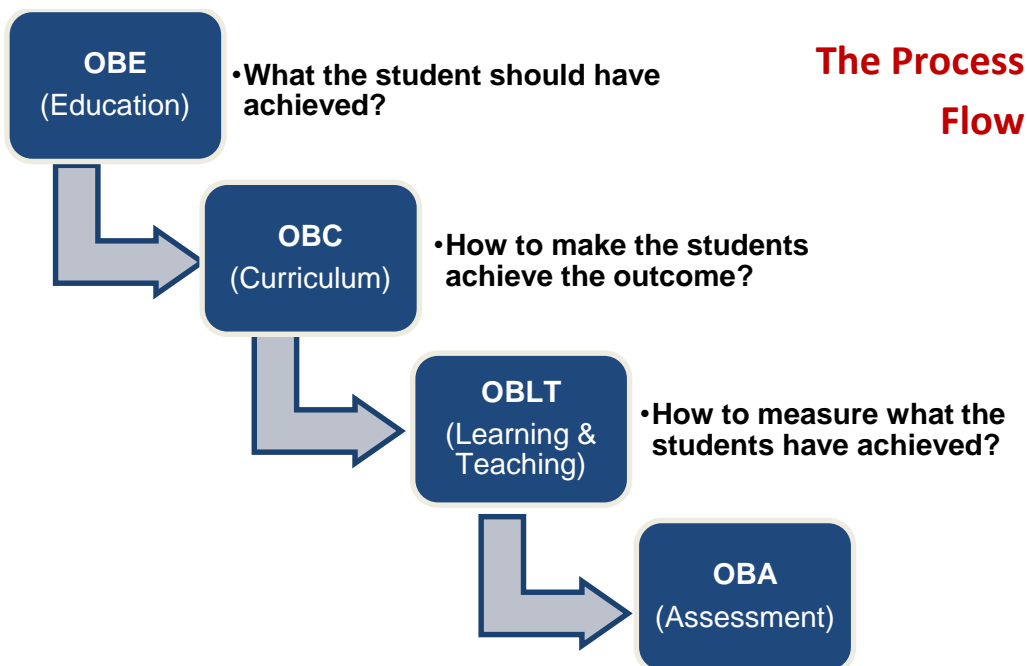

### 12.3 Choice Based Credit System

Choice Based Credit System (CBCS) has been introduced by SKASC that provides a special platform to choose the courses based upon the individual interests of the students. Here the students can opt their course coordinators according to their needs and flexibility. The CBCS system is an updated version which motivates teamwork, innovative thinking, mastery in different fields and so on.

### 12.4 Outcome-Based Education

Sri Krishna Arts and Science College has implemented **Outcome-based education (OBE)** which is a student-centered instruction model that focuses on measuring student performance through outcomes. Its focus remains on the evaluation of outcomes of the program by stating the knowledge, skill and behavior of a graduate which is expected to attain upon completion of the program. In the OBE model, the required knowledge and skillsets for a particular programme is predetermined and the students are evaluated for all the required parameters (Outcomes) during the course of the program.

The role of the faculty adapts into instructor, trainer, facilitator, and/or mentor based on the outcomes targeted. Here is the gist of OBE followed in the college.

## I. Program Educational Objectives (PEO)

The graduates of the Sri Krishna Arts and Science College will:

1. Take an active role and participate in their continuous professional development, including graduate studies when appropriate to their career goals.
2. Maintain ethical and professional standards in their careers.
3. Practice the domain knowledge in the application-oriented discipline.

## II. Program Outcomes (PO)

The graduates of the Sri Krishna Arts and Science should have:

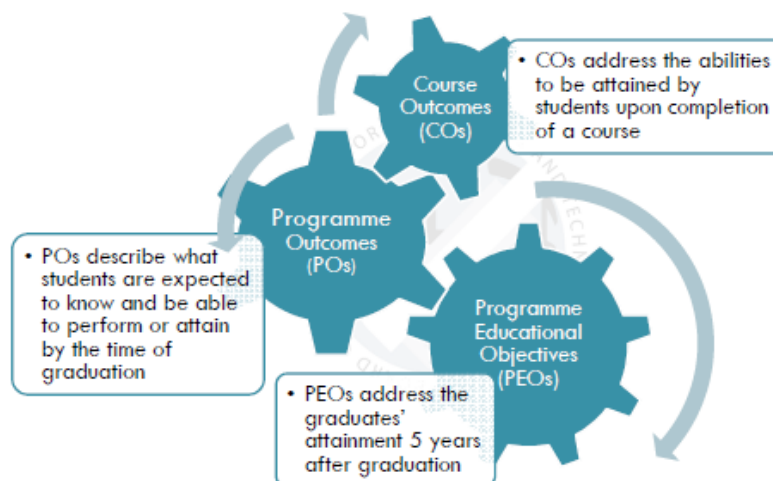

1. An ability to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, and sustainability.
2. An ability to function on multidisciplinary teams.
3. An understanding of professional and ethical responsibility.
4. An ability to communicate effectively
5. A recognition of the need for, and an ability to engage in life-long learning.
6. A knowledge of contemporary issues
7. An ability to apply knowledge **(discipline-specific)**

## III. Bloom's Taxonomy Verbs and Skillset

Bloom's Taxonomy Verbs

## Main components of OBE

## 13. Evaluation

### 13. 1 OMR Score Card

The Outcome Based Education is implemented by defining the Bloom's Taxonomy verbs and Course Outcomes mapped in the syllabi of each course. Then the question papers are set with Bloom's taxonomy verbs mapped for each question. During answer scripts evaluation, OMR score cards for individual students are given to the evaluators, and the evaluators shade the marks that the student receives for each question. It helps in the analysis of student's performance for each skill and facilitates us to provide each student with the OBE Assessment card.

### 13. 2 OBE Assessment Card- Skill Set Mapping

Apart from the regular mark sheet, the students are provided with OBE Assessment sheets that pictorially present the student's proficiency in specified knowledge levels and skillsets. The skills that are mapped are Competitive, Conceptual, Communication, Managerial and Technical skills. The skill sets of the students are mapped based on their scores in exams and presented on the Assessment sheet. It equips the students to understand their skills better and to choose a job that aligns with their skills. Providing OBE Assessment sheets to the students is a unique practice of Sri Krishna Arts and Science College.

The graduates of Sri Krishna Arts and Science College are tested under the following skills

- Communication Skills
- Conceptual Skills
- Analytical Skills
- Competitive Skills
- Managerial Skills
- Technical Skills

## 20. Best Practices

### 20.1 Digital Internal Assessment

Digital Internal Assessment, an innovative Assessment Module has been introduced by the College as a part of the CIA pattern. Digitalization is a cutting edge process that enhances the growth of an institution to the next level. This term not only reduces the working time and makes it smarter but also downsizes the usage of papers to protect the environment. Sri Krishna Arts and Science College initiates paper-free campus as much as possible by considering the global warming issues. As a part of it, Digital Internal Assessment (DIA) is conducted online through Myclassroom portal and the students can attend the digital test from anywhere during the scheduled time. The module is aimed at exposing the students to the various competitive exams in this mode. The evaluation is done digitally at the end of the test and the students get their results with statistical chart.

### 20.2 No Engine Day

Sri Krishna Arts and Science College observes **No Engine Day** every month to provide the local community, staff and students a better quality of life through clean, safe and enjoyable nature. It is a great initiative to reduce the Carbon Footprint and Pollution. The day is observed to create awareness on the various effects of pollution and its problems on the people. The staff, students take public transport and walk to the campus from the entrance and many use their bicycles as well.

### 20.3 SKASC Beats - Daily Newsletter

Communication techniques have outreached far beyond the modes of written, spoken and print forms. In addition to this, taking into considerations the young spirit of the Techno-Driven students, the college initiated the practice of documenting all the events happening in the campus into a daily newsletter entitled 'SKASC Beats' from March 11, 2019. It publishes the activities and the events of the College with the zeal to promote the growth of the students, faculty and the college for the Greater Good and a Better cause.

### 20.4 Market Today (M2D)

Market Today (M2D) was conceived by the Cluster of Commerce on July 3, 2019 with an idea to ignite and create a spark in the minds of its readers. It depicts the price moves of Stocks, commodities and currencies in its First Page. The second and third section is dedicated to the latest moves of National and International trade. It is published on weekdays of every Semester, which tries to provide the intricacies of Commerce to all the students and faculty members of SKASC

### 20.5 Academic Review Meeting

Sri Krishna Arts and Science College organizes Academic Review Meeting (ARM) twice in a semester wherein the parents of our students get to meet the teachers. ARMs play an integral role in students' education and it sets the tone for an effective Parent-Teacher partnership that can make a significant difference in students' education. ARMs provide an opportunity to refine students' individual learning plan and to make sure the roles of teachers, students and parents.

### 20.6 Alumni Interactions

It begins with interest and responsibility  
It continues with relationships that are worthwhile  
It ends with benefit for all.

The above quote sums up the great role played by the Alumni of Sri Krishna Arts and Science College. The Alumni actively involve themselves in supporting and providing contributions voluntarily to Sri Krishna Arts and Science College. The Alumni are the effective role models and are easily accepted by the students. With the return of the alumni to support,

they bring with them credibility and justification as part of a successful SKASCians, having breathed the same air and encountered similar challenges faced by the students.

### **20.7 Snap Talk**

The purpose of Education is to create the leaders of the universe. Snap Talk is to find out the leadership quality of the students, in which a student has to talk for three minutes on a subject of his choice. Sri Krishna Arts and Science College follows the strategy to inculcate the students to develop the skills of communication.

### **20.8 Suicide Prevention Cell**

Sri Krishna Arts and Science College opens Suicide Prevention Cell in the college premises. Young people in India die predominantly of suicide. Intervention can prevent suicide and this cell ensures to prevent suicide because life is beautiful and it should not be wasted for trivial reasons.

### **20.9 Phoenix Counselling Centre**

Phoenix Counselling Cell is created in SKASC Campus for the welfare of the faculty members and students community when they feel stressed and tired. Our college knows the importance of human value which serves a lot in society. This cell conducts various awareness programs and refreshment courses by inviting special experts from different organizations.

### **20.10 Tree Plantation Drive with QR code**

Planting trees has long been a suggestion to better the earth, whether it is outcry and warning of global warming, water crisis or something else. Trees offer many environmental as well as economic and social benefits. The students of Sri Krishna Arts and Science College organize Tree Plantation Drive quite often as they understand the importance of trees and they strive to contribute their bit in making the world a better place to live. The plantation programs are organized by NSS, NCC during important occasions in the institution. The students of our college participate in the activities and plants saplings in the college premises. They have pledged to plant more and more trees with time and take care of the plants and to provide with basic needs as and when needed. The students also take up responsibility of awakening the interest of their fellow citizens by sensitising them on the importance of trees in each and everyone's life. Sri Krishna Arts and Science College honours the guests by asking them to plant

the saplings and they are provided with the **QR Code** to monitor the growth of the saplings they had planted.

### **20.11 Tutor Ward Meeting**

- Randomly students are called once in 15 days to give suggestions, opinion on the way of teaching and the difficulty faced by the students.
- All the Faculties will give their regards to their Head of the Department and will be given an Elucidation by conducting Semester Committee Meeting.
- Every department conducts class committee meeting in each semester where the students give their review about their class and academics which is considered for the betterment of the students in the path of their learning process.
- Student council meetings are conducted exclusively, in which the representatives of each class are invited from all the departments. This platform has been given to the students to come up with their queries, concerns and requirements.

### **20.12 Flag Hoisting**

The Indian Tricolour is hoisted every Wednesday at Sri Krishna Arts and Science College. The event is organised by the National Cadet Corps and the national flag is hoisted by the heads of the various departments. The fluttering flag instils a feeling of patriotism and love for the nation in the SKASCians.

### **20.13 Rain Water Harvesting**

To efficiently harvest rainwater and improve the groundwater level, apart from the regular Rain Water Harvesting System in all the buildings, 45 Rain Water Percolation Pits with the dimensions of 100ft depth and 6.5 inches diameter were drilled and erected with perforated casing pipe.

### **20.14 SKASC in Social Media**

Sri Krishna Arts and Science College has made its presence felt in all social networking platforms as Social Media is the new age weapon for spreading news and ideas, and publicising. The college has a Facebook page, an Instagram page and a Twitter page which are active throughout the year. These official pages are continuously monitored and news items related to events and activities at SKASC are posted on it.

## 20.15 Feedback

SKASC is committed to the highest standards of educational and other provisions for the students and encourages the students to provide thoughtful and constructive feedback. The college receives feedback from

- Alumni
- Students
- Faculty
- Parents
- Employers
- Industrial Experts

The feedback is consolidated both quantitatively and qualitatively and is taken for review for further development and implementation policies.

## 21. Professional Training

### 21.1 IAS and Bank Coaching at SKASC

Sri Krishna Arts and Science College has been making efforts to prepare the students for Central, State and Bank examinations. On a regular basis, special coaching lectures, seminars, counselling sessions are organised by experts in this regard. For this, SKASC has done a Memorandum of Understanding with Dev's IAS Academy, one of the leading competitive coaching centers in Coimbatore. We are conducting a 100 days foundation course for preparing Civil Service exams. Similarly, for banking we conduct 70 days foundation course to prepare for bank exams. Through Career Guidance Cell, we are forwarding the information regarding competitive exams published in newspapers. Apart from this, we are regularly organizing motivational sessions for our students to encourage them to appear for competitive exams.

### 21.2 Red Hat Linux Global certification

Global certifications span our entire technology portfolio, bringing confidence to individuals. Sri Krishna Arts and Science college students took up the Red Hat Linux Global certification RHCSA on 21/10/2019 in our campus. Red Hat Enterprise Linux is the world's leading enterprise Linux platform. It's an open-source operating system (OS). It's the foundation from which you can scale existing apps—and roll out emerging technologies—across bare-metal, virtual, container and all types of cloud environments. The training started in the month of August by four RHCSA certified faculty members to transform the skills and knowledge with intensive practical training to the students which will help them to build up their carrier and to grab the opportunities available in the open-source environment.

### 21.3 Wheebox National Employability Test

Our Institution is taking part in India Skills Report 2020, organized by the Government of India. As directed by the Association of Indian Universities and NITI Aayog, Wheebox is conducting online National Employability Test for final year and pre-final year students of all Undergraduate and Postgraduate Courses. Based on this exercise, India Skills Report 2020 will be launched in the CII Global Skills Summit in the month of November 2019. Aim of the report is to help students analyze their strengths and weaknesses and to minimize the gap between the demand and supply side.

#### **Benefits of WNET To Students:**

1. Employment opportunities for candidates scoring 80% and above in the National Employability Test.
2. All participating candidates will receive online test report and certificate.

3. Special invitation of participating students scoring more than 60% in National Employment Fair organized by Confederation of Indian Industry.

### **21.4 Online Test InsignT by Tata Consultancy Services**

Sri Krishna Arts and Science College has become a part of InsignTa, a Corporate Sustainability initiative is free of cost learning tool for **students in the first semester of colleges**. It provides students an opportunity to learn computer programming using the Case Study methodology. It is a blend of technical as well as soft skills. More than 25,000 students from India, Muscat and Singapore have benefited from InsignT over the past 14 years. The program aims to instill self-learning in students, among other attributes. Successful **completion of the course** earns students a **Participation Certificate**, which has proved extremely beneficial in getting clinching jobs at a later date.

### **21.5 Institute of Chartered Accounts of India**

The Department of Commerce PA, SKASC has signed an MoU with the Institute of Chartered Accounts of India, allowing the students of the department to attend coaching classes for CA Foundation Course inside the college campus.

### **21.6 Oracle/Java**

Oracle University offers courses in programming languages such as Oracle, Java to the students of SKASC. Oracle University frames the syllabus of the course and prepares the course material. It also certifies the students who complete the course.

### **21.7 IIT- Make Intern**

Make Intern is an association which offers the best opportunities to the students by connecting students to corporate for internship and by conducting various competitions and events. Make Intern also enables students to gain skills through workshops and e-learning. The students of the Department of Bioscience, SKASC participated in WETLAB championship held at ECell, IIT Hyderabad, and organized by Make Intern. ## 23.4 Clubs

“We think of giving not as a duty, but as a privilege”. A small tint of fun mixed in the syrup of compassion and patronage harms no one. This has always been a motive of the clubs at Sri Krishna Arts and Science College. Clubs are a way to express gratitude and bring out one's talent in a unique and interesting manner, and so do our clubs here define themselves right.

We have a prolonged list of clubs which prove to be the best of the best for both the college as well as the students. Clubs like Entrepreneur's club, Nature club, Yoga club, Teacher Development club, Music club are like garnishing over the dish which brings out the feeling of selflessness and the passion of sociability. Ranging from social help to fun and music, our clubs cover every aspect of life which is a boon to the college.

### 23.4.1 Entrepreneur Club

Entrepreneur club is a club which celebrates the importance of self- employment among the budding student community. It provides a platform for branding and raising funds for the start-ups by young entrepreneurs. It is known that professionalism is a core component of economic prosperity. The club encourages thought-provoking and innovative entrepreneurial ideas of the students.

### 23.4.2 Candid Club

Photography is an art which creates an aura of charm to the one who captures and the one who is captured. Members of the Candid Club play a creative role in bringing life to the college activities through the lenses of their cameras. The club provides a platform for the students who wish to pursue professional career in photography and also a means of their attainment of passion.

### 23.4.3 Career Guidance Club

The Career Guidance Club aims to polish and guide the students' mind towards a prosperous path in their career. The club also creates opportunities and provides requisite training to the students in order to attain a career which is the most important phase of their life.

### 23.4.4 Faculty Presentation Forum

A teacher is a creator and a torchbearer for the young minds. The forum acts as a mirror in reflecting the ideas and the concepts which are expected in the teaching fraternity. The future pillars of a nation are moulded in SKASC by a bunch of fine-tuned educators, who are well trained with the help of this forum. The Forum helps the faculty in receiving, upgrading, equipping, and in transferring the skill and the knowledge to the future pillars of the nation.

### 23.4.5 Garden Club

'Save Paper Save Trees' is a common saying across the globe. Saving trees is essential in order to preserve the ecological balance of our planet Earth. The Garden Club was initiated in our college with an invaluable motive of imparting the young minds with the priceless benefits of nurturing nature.

### 23.4.6 Green Vuz Club

Every action has an equal and opposite reaction. Similarly the creation of Green lung spaces will increase the quality of life and create a cleaner and better environment for the fellow human in the future. Keeping this in mind, the students of SKASC are creating a global awareness to press the green button for an eco- friendly environment.

### 23.4.7 Health Club

Health Club offers various services to help members meet their fitness goals, influence the habits, attitude and knowledge relating to an individual and community. The club strives for the individual's efforts towards the attainment of optimum health.

### 23.4.8 La Wings - Women's Cell

*"Hands which rocks the cradle rules the world"*

Women's Cell is currently embarking upon its victorious journey of 11 years promoting the harmonious growth, experience and development of the girl students. Girl students are supported and guided in the issues they face by the meticulous efforts of the club coordinators on-campus and off-campus.

### 23.4.9 Music Club

Music Club plays an unremarkable role in encouraging the cultural interest of the students in the music field. The club coordinators lead the students towards extracurricular interests and career insights by enabling the students to perform in the events of the college and participate in various Intercollegiate music contests.

### 23.4.10 Readers Club with National Digital Library of India

In order to facilitate students with the countless ordeals of reading, NDLI and SKASC Readers club has taken initiatives to inspire students towards reading. Remarkably, the club in collaboration with the College Library has aided the students in joining the National Digital Library platform and promoting e-readership.

### 23.4.11 Rotaract Club

Institutions are representations of the rich and diverse social milieu of our country. In this regard, half decade old Rotaract Club of the college undertakes activities and provides platform to the students belonging to diverse milieu of the society to share their ideas and thoughts converging towards the common mission cause of '**Service above Self**'.

### 23.4.12 Yoga Club

Responsibility of any institution does not come to end with the imparting of academic knowledge to the students. Hence Yoga club of the college promotes the wellbeing of the body, mind and the soul with its untiring efforts.

### 23.4.13. Youth Red Cross and Red Ribbon Club

Humanity is the most valuable and essential virtue for any human born on the face of the earth. Realization of the virtue in the teenage instills the individuals to lead a noble life. Red Ribbon Club of SKASC instills the students with this ideology to envisage themselves to be the world conscious and responsible citizens of mankind.

## 24. Social Initiatives

### 24.1 Save Western Ghats

'Save Western Ghats'- a two day national level conference was held at Sri Krishna Campus for environmentalist and participants across India. This conference specially focused on the Western Ghats which has been despoiled by individuals and the other organizations. The Western Ghats is rich in flora and fauna that cannot be found anywhere else in the world. To save the biodiversity and ecosystem and ensure awareness among the people on nature various plenary sessions, discussions were held and decisions were taken. This conference was arranged by Osai Kalidasan, President, OSAI Environmental Organization in collaboration with Sri Krishna Arts and Science College.

### 24.2 Uyir

Uyir Club is a student community group in Sri Krishna Arts and Science College committed to reduce road deaths and serious injuries locally through awareness and activities. Uyir Club was established in 2019 and ran its first Road Safety Week in 2019 as part of India's National Road Safety Week. The Club seeks to engage members of the local community and Public official for creating Road Safety awareness in Schools, Companies, Educational Institutions.

This initiative has been very effective in boosting year-round engagement with Road Safety awareness. The club members have taken the noble cause of creating awareness among the common people. The volunteers sensitized the public on the benefits of wearing helmet, seat belt and other traffic regulations.

The UYIR Club organized the Road Safety Awareness program on 30<sup>th</sup> September 2019 at Aathuppalam, Kovaipudur Pirivu and outside of SKASC Campus. Totally 50 students participated in this program and created the Road Safety Awareness among the people who do not wear Helmet and Seat Belt. The Uyir T-Shirts were distributed and a meeting was conducted by Dr.P.Baby Shakila, Principal, SKASC for the students. After the meeting, the students were divided into 3 teams and conducted awareness programs in the allotted venues.

### 24.3 Paperless Learning

Our college is known for its exclusivity when it comes to paperless learning. The students need not carry books to study instead they have Google Classroom and myclassroom where the subject matter is posted into these portals by the faculty. With these unique portals, the students access their study materials and post their assignments into it which reduces the usage of papers thus making our college a green campus. The College circulars are also sent through emails to both the students and staff. All these unique ideas and practices which are being followed in our college have made us achieve what is known as Paperless Learning.

### 24.4 NEET Coaching

The Government of Tamilnadu arranges NEET coaching class every year for free of cost to the government school children giving them opportunities to realise their dream of becoming doctors. It takes place in different regions of the state where free boarding and lodging are provided to the students. Sri Krishna College serves as a regional centre for the students from The Nilgiris, Tiruppur, Erode, Dharmapuri and Karur districts. One month of training was provided to the students inside the campus with well-equipped classrooms, hygienic food, 24/7 free wi-fi facility. A total of 350 students successfully completed the NEET coaching at Sri Krishna Arts and Science College Campus.

### 24.5 Police Training:

Technology in all grounds is an inevitable one in the present day scenario. All the government bodies working manually are updating themselves technologically to make their work easier. A special and stupendous training for a week on the usage of basic Microsoft Word file, XL sheet and PPT were given by the Computer stream faculty members of Sri Krishna for the Police personnel selected by Tamilnadu Police Service Commission. This program helped the trainers to work systematically off the ground during their working hours. An extra skill on recording the information and documenting also was taught. More than 100 people were benefited through this training program.

### 24.6 3<sup>rd</sup> International Open 2018 KARATE Championship Tournament

### 24.7 Inter-Generational Dialogue for Peace with the Youth

Sri Krishna Arts and Science College in association with Shanthi Ashram organized an Inter-

Generational Dialogue for Peace with the Youth commemorated 150<sup>th</sup> Birth Anniversary of Mahatma Gandhi. Rev. Kosho Niwano, the President-Designate of Rissho Kosei-kai, a Global Buddhist Movement was the Chief Guest. It is a worldwide Buddhist organisation founded in Japan in 1938 by Nikkya Niwano and Myoko Naganuma. It combines the wisdom of both the Lotus Sutra and the foundational teachings of Shakyamuni Buddha. Its purpose is to bring these transformative teachings to the modern world. To make the event more colourful the college organised cultural events and distributed prizes. The function was presided over by the Principal.

## 24.8 Yuva

Ask not what your country can do for you – ask what you can do for your country echoed John. F. Kennedy in his inaugural speech as the President of the United States of America in January 1961. Keeping the ideal in mind, the students of SKASC are involved in nation-building by synchronizing students' energy towards the creation of opportunities, building up relationships, and networking in transaction of the youth towards leadership. YUVA, a body of Confederation of Indian Industry and young India tries to showcase and portrait the hidden potentials of our young nation builders.

## 25. Schedules and Committees

Sri Krishna Arts and Science College obtained autonomous status in the year 2011. The entire examination process carried out in the Office of Controller of Examinations is fully automated. Academic Proforma of Curriculum Design is at par with the UGC standards for flexible Choice Based Credit System. Sri Krishna Arts and Science College is the first college in Coimbatore to implement OBE (Outcome based Education) among Arts and Science Colleges. Outcome-Based Education (OBE) is a predetermined educational philosophy to set the outcomes for teaching and learning approaches with the Program Outcome (PO) attributes that a student imbibes through graduation. With the increasing strength, the college has adopted new evaluation reforms in OBE to automate the skill set of each student results and generate an individual report of the skills acquired by the students in Mykclassroom. The controller section has planned to conduct seminar/conference on OBE & Evaluation reforms to upgrade the faculty members in the next academic year.
