College Report: Dr. P. BABY SHAKILA, Principal

Sri Krishna Arts and Science College is an autonomous co-educational institution affiliated to Bharathiar University, Coimbatore, Tamilnadu. The vision of the institution is to abide with "Knowledge, Love and Service". The green ambiance of our campus has been patronized by Tamilnadu Agriculture University and Swachhata Team, which stretches across 14.17 acres of land, housing 34,148 sq.mts of the state of the art buildings. The College has a total number of 7623 students with the equivalent ratio of faculty strength 243. The compound annual growth rates of students per year are 21%. The College offers 29 Undergraduate Programmes, 13 Postgraduate Programmes, 1 Integrated Programme and 4 Research Programmes.

The College has a world class innovative futuristic infrastructure to suit to the upcoming redesigns in education. The institution has harmonious MoU linkage with TCS, Oracle India Ltd, Tally, Aditya Birla Group, Infosys, Wipro, Bombay Stock Exchange, UTL Techologies, Roots Industries, Pricol Industries, Robert Bosch, Siemens Ltd, Telecom Sector Skill Council, Electronic Skill Development Council, IIT - Mumbai and pledged with Certificate Courses with worldwide universities namely Clayton State University, Atlanta and Concordia University, New York, USA. The institution has been recognized as the nodal and resource centre for south India for Spoken Tutorial project a scheme of the MHRD and operated by IITM. This promotes enhancement of ethical behavior in the use of software. The institution is also patronized as the Global Financial Centre by Bombay Stock Exchange.

The Placement Cell has an indelible contribution to students by promoting their placements with various multinational companies like Infosys, Wipro, TCS, CTS, Deloitte, TECH Mahindra, Aditya Birla, Oracle, Standard Chartered Bank, KPMG, E&Y, Grant Thronton, IBM, Hotel Taj and so on. A total of 998 students were placed in these reputed companies in the academic year 2017-2018.

The College has an underpinning of Research arena with international reputation, which forays to enhance our research centre to high standards. The College has over 48 Ph.D holders in varied disciplines and 61 of our faculty members are pursuing their Ph.D at present. 143 research articles were published by faculty and students. The College has also conducted 10 National Conference and one International Conference on the "Role of Higher Education in National/International Development" in lieu with the Association of Indian College Principals (AICP). The College has also undertaken 2 major projects from the Tamilnadu State Council for Science and Technology and one minor project from UGC.

Teaching through Interactive Boards in classroom enables to promote skills in areas of research, problem solving, critical thinking, reflection, synthesis, teamwork, communication and professional orientation. For efficient technology updates, th College has integrated with 2881 Google virtual classrooms, and 400 smart classrooms. The teachers can keep a consistent check in the performance of the student and guide them on the track of their vision.

The Academic Proforma of Curriculum Design is at par with the UGC standards for Choice Based Credit System. The teaching, learning and evaluating system have been inter-linked with the Capstone Education model. This unique model was formulated with an insight for students to enhance the joy of learning and provide opportunities for thoughtful student reflection. The 'calling card' facility of this flexible Choice Based Credit System gives space to our students to select the desired course and faculty based on learning-pathway experience. Its objective is to encourage students to apply skills and theories in a systematic way.

Outcome-Based Education (OBE) is a predetermined educational philosophy to set the outcomes for teaching and learning approaches with the Programme Outcome (PO) attributes that a student imbibes through graduation. This system also facilitates inter-disciplinary research among the faculty and the students to create better research facilities. The students are also motivated with an ethical learning methodology to acquire entrepreneur skills.

Moving ahead with future our institution has promoted 24/7 interactive learning methodology. This enables e-learning and m-learning facilities for students. Teaching through interactive boards in class room enables to promote skills in areas of research, problem solving, critical

thinking, reflection, synthesis, teamwork, communication and professional orientation. The application of core course values are identified with the creative 'edutainment' programme, the pedagogy is assisted by demonstrator, instructor and evaluator.

The vision mapping portfolio has been proven by the Alumni of Sri Krishna Arts and Science College. During the period 2011-2017, Sri Krishna Arts and Science College has produced 36 Auditors, 522 BFSI Professionals, 432 Programmers, 2331 ITES Professionals, 982 Trainers in the IT sector, 223 Second Generation Entrepreneurs, and 38 First Generation Entrepreneurs.

The institution gives scope to extracurricular activites and that is significant with its facilities like sports, fitness centre, Yoga and other promotional activities for nurturing the overall personality development. And we take pride in enhancing 6 International Volleyball players, 11 State Level Volleyball players, and 92 players representing Basketball, Softball, Cricket and Athletics in University level.

Before concluding this report, we look back with satisfaction at the numerous accomplishments of every member of our College. We thank God for His continuous faithfulness and protection throughout our tough times. In our mission and commitment to higher education, we are grateful to many individuals who support us, collaborate with us and work tirelessly to ensure the smooth functioning of our day-to-day activities.

6.2 Faculty Progression

All progress is born of inquiry. Doubt is often better than overconfidence, for it leads to inquiry, and inquiry leads to invention" is a famous Hudson Maxim in context of which the significance of research can well be understood. Increased amounts of research make progress possible.

Research inculcates scientific and inductive thinking and it promotes the development of logical habits of thinking and organization. The faculty members of Sri Krishna Arts and Science College actively engage themselves in academic research besides their regular academic work. This is evident through the following.

The following are the achievements of faculty during this academic year.

Having seen the placement details of our students, the report meanders to some of the unique international collaborations and MoUs signed by Sri Krishna Arts and Science College, keeping in mind the recent trends within the globalised world.

8. International Collaborations

With the aim of offering international academic atmosphere in this increasingly globalised world Sri Krishna Arts and Science College is taking practical steps to make study international exchanges viable. In this regard, our College has signed MoUs with Clayton State University, Atlanta, Georgia and Concordia College, New York, USA. Thus the College has succeeded in getting students from different countries working together and students of Sri Krishna Arts and Science College are exposed to global current affairs, have opportunities to travel and learn in foreign universities and are made more competitive at a global level.

Clayton State University Atlanta, Georgia

Clayton State University, Atlanta, Georgia with sprawling 192 acres campus is one of the leading universities of the United States of America. Some of the highlighting features of the MoU with Clayton State University.

- **Faculty and Staff Exchange**: Exchange of faculty and staff members to engage in teaching, research and/or study at each others institutions are encouraged.
- **Student Exchange**: Attendance of students (undergraduate and post graduate) from one institution to the other is encouraged. Each student must, however, meet the admission requirements of the departments or programmes to which he/she applies.
- **Special Training and Degree Programmes**: Joint teaching programmes, collaborative degree programmes and other special partnership programmes between the institutions are considered.
- **Research and Knowledge Transfer**: Faculty members from the two institutions work towards indentifying possible areas of conducting joint cross – cultural research and writing business case studies with a view to understand markets, organizations and consumers in the two countries better.

Concordia College, New York

Concordia College, New York with its lush, beautiful, 33-acre residential campus is set in the tranquil, affluent village of Bronxville. Founded in 1881 Concordia College is a co-educational institution offering value-oriented education preparing students for lives of service to community. It offers the following Business Programmes in collaboration with Sri Krishna Arts and Science College for its students. The following programmes are offered and details are as follows.

A. American Transfer Programme (ATP) (2+1) (two years in Sri Krishna Arts and Science College and one year in Concordia College, New York)

B. Graduate Studies Programme (2+2) (two years in Sri Krishna Arts and Science College and two years in Concordia College, New York)

Other Programmes Offered

Faculty and student exchange program

Concordia and Sri Krishna Arts and Science College, actively plan and implement a faculty and student exchange program between the two institutions.

Summer programme

Summer programmes are conducted for the students by concordia the faculty of Sri Krishna Arts and Science College, Coimbatore, during the month of July – August every year.

Collaborative Research Activities

Faculty of Concordia University and Sri Krishna Arts and Science College are doing joint research in every semester in the field of Management, English, Computer science and Bio technology and the research papers are published in international journals.

9. Other MoUs & Tie-Ups

The College has a world class innovative futuristic infrastructure to suit to the upcoming redesigns in education. The institution has already signed MoUs with the following reputed companies and renowned institutions,

- TCS
- Oracle India Ltd
- Tally
- Aditya Birla Group
- Infosys
- Wipro
- Bombay Stock Exchange
- UTL Techologies
- Indian Institute of Technology, Bombay
- Electronic Sector Skill Council of India
- Welcom Hotel

The institution has been recognized as the nodal and resource centre for South India for Spoken - Tutorial Project a scheme of the MHRD and operated by IITM. This promotes enhancement of ethical behavior in the use of software. The institution is also patronized as the Global Financial Centre by Bombay Stock Exchange.

The CDF Department of Sri Krishna Arts and Science College has a tie - up with ATDC - Apparel Training & Design Centre: Integrated Skill Development Scheme by Ministry of Textiles, Goverment of India in order to train the youth, women of disadvantaged sections of the society.

10. Curriculum Design

Outcome-Based Education *2018-19 Academic year*

Sri Krishna Arts and Science College has implemented Outcome-Based Education (OBE) which is an educational theory that bases each part of an educational system around goals (outcomes). By the end of the educational experience, each student should have achieved the goal. There is no single specified style of teaching or assessment in OBE instead; classes, opportunities, and assessments should all help the students to achieve the specified outcomes. The role of the faculty adapts into instructor, trainer, facilitator, and/or mentor based on the outcomes targeted. Here is the gist of OBE followed in the College.

.
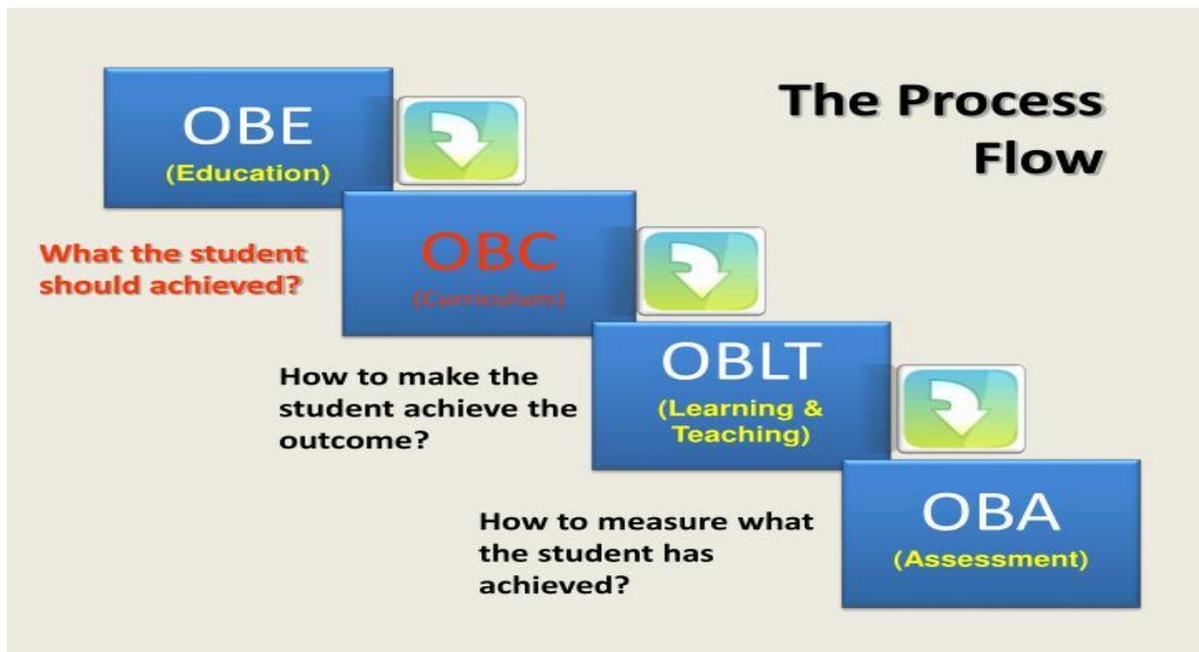

I. Program Educational Objectives (PEO)

The graduates of Sri Krishna Arts and Science College will:

PEO 1: Take an active role and participate in their continuous professional development including graduate studies when appropriate to their career goals.

PEO 2: Maintain ethical and professional standards in their careers.

PEO 3: Practice the domain knowledge in the application oriented discipline.

II. Programme Outcomes (PO)

The graduates of Sri Krishna Arts and Science College should have:

PO 1: An ability to meet desired needs within realistic constraints such as economic, environmental, social, political, ethical, health and safety, and sustainability.

PO 2: An ability to function on multidisciplinary teams.

PO 3: An understanding of professional and ethical responsibility.

PO 4: An ability to communicate effectively

PO 5: A recognition of the need for, and an ability to engage in life-long learning.

PO 6: A knowledge of contemporary issues

PO 7: An ability to apply knowledge of discipline specific content.

III. Graduate Attributes/Skill

The graduates of Sri Krishna Arts and Science College provides opportunity to develop

➢ Communication Skills

➢ Conceptual Skills

➢ Analytical Skills

➢ Competitive Skills

➢ Managerial Skills

➢ Technical Skills

Main Components of OBE
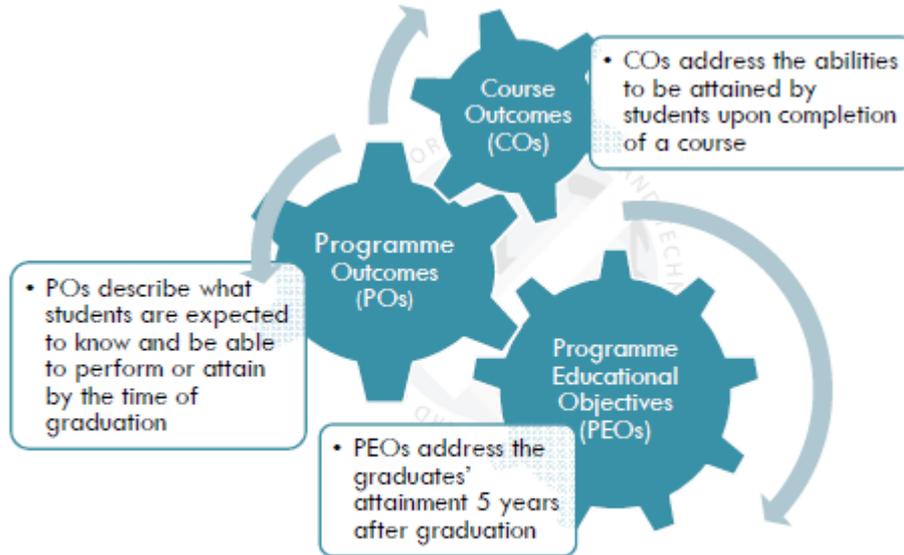

Skill Set Mapping – Sample
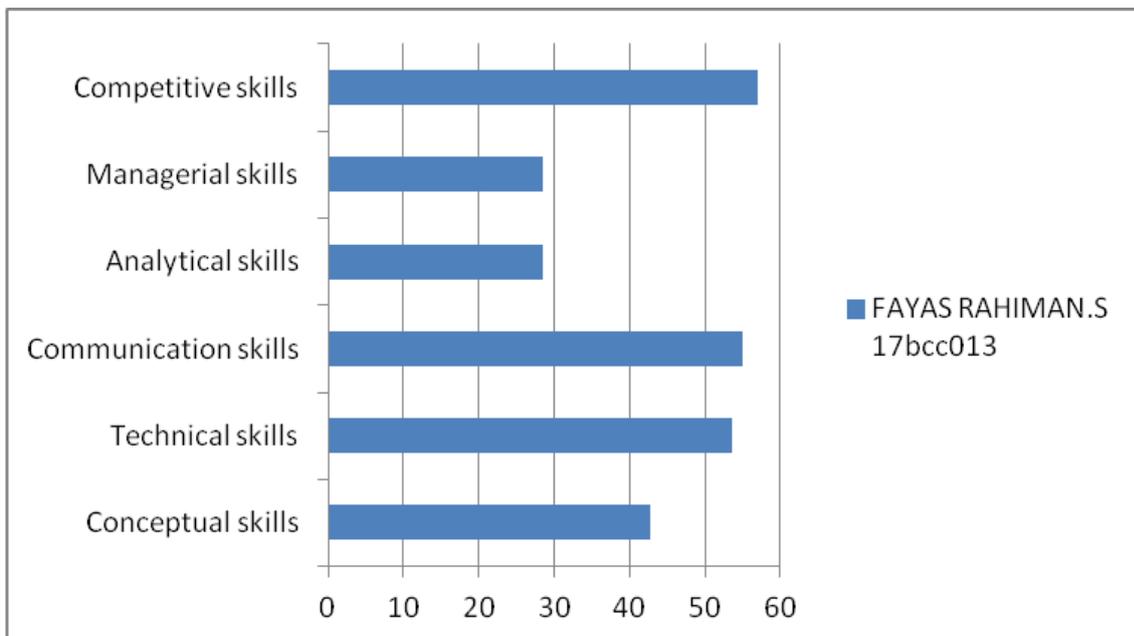

11. Teaching and Learning

Sri Krishna Arts and Science College fully understands that technology is an integral part of higher education and hence it provides opportunities to the students for online learning and utilizes up - to - date modern learning technologies. These effective uses of learning technologies have ensured highly modern learning and teaching practices followed in the institution. All the classrooms of the College are smart classrooms with Active Smart Boards and LCD projectors and the members of the faculty use digital platforms to handle their classes.

➢ **Google Classroom**

Google Classroom is a web service developed by Google for educational institutions that aim to simplify creating, distributing and grading assignments in a paperless way. The primary purpose of Google Classroom is to streamline the process of sharing files between teachers and students. It combines Google Drive for assignment creation and distribution, Google Docs, Sheets and Slides for writing, Gmail for communication, and Google Calendar for scheduling.

Sri Krishna Arts and Science College is one of the effective users of Google Classroom. The students of our College are invited to join Google classroom through a private code. Each class creates a separate folder in the respective user's Drive, where the student submit work to be graded by a teacher.

Mobile apps available for iOS and Android devices, help the students to take photos and attach to assignments, share files from other apps, and access information offline. Teachers can monitor the progress of each student, and after being graded, teachers can return work, along with comments.

➢ **Myklassroom**

Sri Krishna Arts and Science College also uses another digital platform in addition to Google Classroom called Myklassroom. It is a powerful blend of Social networking and E-learning. It provides an online collaborative platform for teaching and learning. It facilitates the next generation classroom, which would provide a structured access to information, a forum to discuss and assimilate information, online lectures, a faculty to moderate discussions, and 24/7 access to classrooms anywhere anytime.

A classroom is much more than just a blackboard. And it has brought the real classroom experience online. With such innovative classroom experience the students come out with flying colours. It is evident through the academic results of our students.

➢ **Result Analysis**

The statistical analysis of examination results is done with utmost care in Sri Krishna Arts and Science College, because its' conclusions are the theoretical basis for teaching evaluation, research and reform. By analyzing examination results, in one hand, the teachers can get to know how much knowledge students have obtained. The following is the result analysis of UG and PG students of previous academic year.
