General Observations:

- Mr. P. Mahesh Kumar observed the college programmes and courses. He observed and appreciated the programme innovations are rooted in Indian based education rather than western imbibed though many tie-ups courses have been implemented. He appreciated the innovations made in the courses for the academic year 2020-21. He also suggested

having the curriculum to be framed to meet the competitive examinations. He also insisted to have all the theory subjects with practical lectures.

- Mr. Mahesh Kumar suggested a valuable point that everyday learning should meet the expectations of the learners and it should give them good clue for further studies.
- The University Representative, Dr. Ramesh suggested having the courses merged with NET/SET and he asked list of faculty members who have cleared in NET/SET. He also suggested having MOOC courses to be given by the faculty members. And also he asked for number of citation in H Index and I Index. He insisted to concentrate in writing proposals for funded projects.
- Dr. K. Malar Mathi suggested having some online courses for the management courses.
