After the detailed presentation, the Chairman invited the members for their suggestion and contribution to be included in the syllabus.

S.No.	Name	Suggestions	Action Taken
1.	Dr. Sushil Mary Mathews	The Course <b>Contemporary Literature</b> was suggested to be completely revamped due to irrelevancy in the contents.	As per the Recommendation of the university Representative the changes were incorporated to the course.
		In American Literature II – 24ENP07, a few works need to be changed to avoid repetition.	The topics are replaced with different works of different authors.
2.	Dr. S.P. Dhanavel	The course <b>Phonetics</b> was suggested to rename as <b>Introduction to Phonetics and Linguistics</b> , also to add few topics related to linguistics with reference to the following texts A. Language and Linguistics by Wallwork. B. The Study of Language by Yule.	It has been renamed as  A. Introduction to Phonetics and Linguistics, as per the subject expert's suggestion.  B. Unit V has been modified including few topics from the suggested textbooks.

		It was suggested that one more novel could be added to the course <b>English Literary Horizons</b> and it could be mapped with the soft skills prescribed in the same course.	The suggestion is taken into consideration and the syllabus is updated
		The Course <b>Contemporary Literature</b> was suggested to be completely revamped due to irrelevancy in the contents.	As per the suggestion, the Unit Poetry is replaced with Short Stories.
3.	Dr. V.K. Karthika	The Course <b>Language Ethics</b> was suggested to be renamed as <b>Ethics in Communication</b>	The Course was renamed as suggested by the Subject Expert.
		The paper highlighting Eco Literature can be connected with sustainability	The paper is named as "Literature in Sustainable development" as per the recommendation of the subject expert.
4.	Dr.S. Nagalakshmi	It was suggested by the Industrial Expert that the course <b>English Language Teaching</b> could be modified and be renamed as <b>Applied Literary Criticism</b> , in order to improve the analytical writing skills.	Based on the suggestions provided the changes were carried out.
		The contents of Journalism and Media can focus more on the recent trends in the recruitment industry enhancing the employability skills of the students.	The concepts focusing on Content writing and modern trends in Journalism and Media are included.
5.	Ms. M. Priya	It was suggested that any mythological paper could be introduced as a course to the students.	As Suggested by the Alumnus <b>Greek Drama</b> is introduced as a course.
		It was suggested that few topics in 'Advanced Journalism' is to be modified	As per the suggestion, "Advanced Journalism" is renamed as "Journalism and Media" and all the five units in the paper are modified based on

			Industry needs and available resources.
6.	Dr. Princess Carmel Mary .X	Due to Compulsory IET for the 2022 batch, their two DSE subjects remain not cared for and hence the members suggested that at least either one of the choices be taught along with the other courses.	As per the suggestion, the course "European Fiction and Drama" was fully revised and was added for regular study along with other courses after necessary changes in instructional hours were made.

- Resolved to authorize the Chairperson to forward the panel of examiners as suggested by the members of the Board to the Controller of Examinations.
- Resolved to authorize the Chairperson to state the equivalent courses for those students who transfer from other institutions under autonomous scheme.

Resolved to recommend to the Academic Council, the UG & PG English Literature programmes to be implemented from 2024-2025 onwards.

After the detailed presentation, the Chairman invited the members for their suggestion and contribution to be included in the syllabus.

S.No.	Name	Suggestions	Action Taken
1.	Dr. A. Devika University Representative	-	-
2.	Dr. V. Lakshmana Gomathi Nayagam Outside Subject Expert	He suggested the following points to include. <ul style="list-style-type: none"> <li>Uniform credits for Numerical Analysis and Ordinary Differential Equations.</li> <li>Fuzzy Numbers in Unit II of Fuzzy Logic and Systems.</li> <li>Metrizability in Topology and Functional Analysis.</li> <li>Check the computational part in the Computational Linear Algebra</li> <li>Fuzzy Control Theory and Fuzzy Decision Making instead of Fuzzy Methods Control Theory in Fuzzy Sets and Fuzzy Logic.</li> </ul>	The suggestions are noted and changes have been made in the UG and PG Mathematics Curriculum.
3.	Dr. J. Vernold Vivin Outside Subject Expert	He suggested changing the book for Graph Theory of B.Sc., Mathematics. Also, suggested to include one more program in Practical – LaTeX.	Implemented the suggestions in B.Sc. Mathematics curriculum
4.	Dr. P. Radha Outside Subject Expert	She suggested the following points <ul style="list-style-type: none"> <li>Include entire OOPS concepts in the C++ and JAVA Syllabus</li> <li>Remove the repetition of OOPS concepts</li> <li>Reframe the list of programs which is related to Mathematics concepts in both C++ and JAVA.</li> </ul>	Implemented the suggestions in B.Sc. Mathematics curriculum
5.	Ms.S. Punithadevi Industrial Representative	She also suggested the same as said by outside subject expert.	-
6.	Ms. H. Namitha Alumni Representative	She appreciated the contents of the UG and PG Mathematics curriculum and syllabus.	-

- Resolved to authorize the Chairperson to forward the panel of examiners as suggested by the members of the Board to the Controller of Examinations.
- Resolved to authorize the Chairperson to state the equivalent courses for those students who transfer from other institutions under autonomous scheme.

Resolved to recommend to the Academic Council, the B.Sc., M.Sc., programmes to be implemented from 2024-2025 onwards.
