The Chairman of the Board of Studies welcomed the members to the Seventeenth Board of Studies meeting in Electronics and Communication Systems. The members took up the agenda for the meeting. The Chairman of the Board of Studies presented the curriculum of the B.Sc. Electronics and Communication Systems and M.Sc. Electronics and Communication Systems programmes for the academic year 2024–25 and 2023- 24 for discussion and updating. The external members appreciated the syllabus of UG and PG Electronics and communication systems programme and up to the level of industry expectation. The suggestions given by members are given below.

Member name	Suggestions
Mr.Thirumoorthy	Sensor based experiments may be included.
Mr.Raj Mohan	History of embedded may be included.
Mrs Venkateswari	CAD for Electronics (24ECU21) course title may be expanded.
Mr.Sudheesh	Web server and client of our own design may be included along with available cloud servers.
Mr.Devendiran	In Industrial and Automotive lab courses (24ECU17, 23ECU18 & 22ECU19), experiments related with automotive may be included.
Mr Veeramanikandasamy	Python programming (24ECU07) course contents may be updated. In Python programming lab (24ECU08) few experiments may be updated along with the flow of theory contents.
Mr.Rameshbabu	Digital Image & Video Processing (24ECP09) CLO statements and level of taxonomy may be modified.

The Board has recommended the corrections of CLO- PO Mapping of the Courses wherever necessary
