## **NATIONAL SERVICE SCHEME**

### **NSS Annual Activity Report for the Year 2014-15**

National Service Scheme is one of the pathways to serve the society for the academic institution. It creates a platform for the students to show their talents, to enhance their knowledge, to combine the knowledge and action to achieve results for community development. Our NSS are committed to prepare the NSS volunteers for the democratic, self disciplined and self reliant way of life. One of the essential parts for the success of any organization is the acquaintance of its members with the organization, its functions and objectives. Our respected Principal Dr.K.Sundararaman M.Com., M.Phil., Ph.D., motivated us with piece of advice shared with us some of the experiences that he had when he joined and became a part of NSS and formed an executive committee headed by the Principal. The committee members are the NSS programme officers, Chairman, Joint Chairman, Secretary, Vice Chairman (Environment Enrichment and Conservation), Vice Chairman (Health, Family Welfare and Nutrition Programme), Vice Chairman (Awareness for improvement of the status of women), Vice Chairman (Social service Programmes), Vice Chairman (Production Oriented Programmes), Vice Chairman (Relief & Rehabilitation) and Vice Chairman (Education and Recreations). With the help of the seven NSS volunteer groups the following events are successfully conducted in the year 2014-15 from the month of June to March.
