1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

The Feedback Mechanism revolves around various stake holders of the institutions namely, current students, alumni, academicians, parents and employers. 1. The student's feedback system is implemented in three ways: a. A Class Committee is formed based on the performance of the I CIA test. Class Committee comprises of eight members - two class representatives, two fast learners, two slow learners and two average learners. Review meeting is held once in a semester. The academic difficulties faced by the students are discussed and the Remedial actions are taken based on the feedback received in the meeting. Feedbacks and action taken are recorded. These are communicated to the Heads of all Departments during the HODs meeting conducted by the Principal. This is informed to the faculty through department-wise faculty meeting organized by the HOD. During the academic year 2018-2019, Class Committee Meeting was held for 148 classes. b. Mid-term feedback is collected from the students about the level of interest in the programme, the method of teaching and learning, the ICT tools used for learning, the availability of subject material in Myclassroom and Google Classroom. c. At the end of the each semester, a feedback form will be available in Myclassroom portal which is filled by the students online. This focuses on the feedback about the teachers and the syllabus coverage/completion. The data collected is analyzed and recommendations are given on that basis. 2. During the Alumni Meet held every year in the month of March/April, the feedback related to the curriculum and the content is collected from Alumni of various Degree Programmes both in UG and PG streams. The Feedback from Alumni serves to improve in the prospects of career building and curriculum design. 3. Academic Review Meeting (ARM) is held with Parents once in a semester where the courses studied and the syllabus coverage is discussed by the tutors. Input from parents provides general feedback about the related curricular/co-curricular activities. Two ARM meetings were held during 2018-2019, 218 parents attended the meeting. 4. The Placement cell collects feedback from the Employers to identify the areas of improvement in technology to match the industry requirements. The syllabus feedback is based on its relevance and appropriateness based on the recent developments in the industry. Current trends in the job market are also considered while framing and developing the syllabus. These details are shared with the BOS chairman who takes necessary steps to include the suggestions. 5. The feedback is received from the academic experts of other reputed institutions related to their area of specialization by sending the syllabus and collecting their opinion and valuable suggestions. Feedback from the faculty, academic peers, experts from industry, current students and alumni are used in the initiation, review, and re-design of curriculum. The feedback from Central and State Governments as well as research organizations in India and overseas also help to design and map the curriculum with foreign universities. Minor/major changes in course contents are carried out on a yearly basis taking into account the feedback from stakeholders as well as contemporary

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

One of the most effective systems functioning in the institution that bridges the gap between the student and teaching community is the tutor ward system. Each faculty member is assigned a small group maximum of 30 students as their wards. Faculty members have the responsibility of molding and guiding their wards in all academic & personal fronts. The rules and regulations, welfare measures and various scholarships available and the ways to go about them are explained to the wards in the tutor ward meetings. Tutor ward meeting: Tutor ward meetings are conducted regularly to get the feedback from students about academic activities and their grievances. In our institution Tutor ward meetings are conducted fortnightly by the tutors for their wards. The following are the activities of tutor ward meetings: • Review of attendance • Students Behavioral monitoring • Marks obtained in Continuous Internal Assessments • Placement Preparedness • Internal Marks • Availability of Sufficient Learning Materials • Learning difficulties • contents and links posted in Myclassroom • Teaching materials posted in Google classroom • Assignments and component submissions • Portions covered in each subject • Extra coaching classes if necessary • Students Achievements Apart from this the tutor meets the students individually to get to know more about their wards. This helps the wards to develop a friendly relationship and discuss the problems and issues with their tutors. Sharing of their own problems with their tutors serve a sign of healthy relief to the students, thus enabling them peacefully to concentrate on their studies. The tutor also verifies whether each teacher does what is expected of him/her by verifying weekly / fortnightly the portions covered by faculty and if necessary give suitable instructions to handle extra classes Assistance for slow learners: The tutors also Identify and list the students who are academically weak and make arrangements with suitable faculty to conduct coaching classes based on the requirements of the students. Tutorials and continuous assessment are used to identify students' with learning difficulties and special needs so that no student is left behind and every student receives adequate support through remedial and bridge courses. For Slow learners with difficulties in understanding and learning the subjects at the pace it should be, are paid individual attention, guided and trained by the tutor on the better ways of learning. Motivation for Performing Students: Tutor ward system is not only for academically weak and students with problems and issues but also focus towards motivating the performing students to aim high. a. Effort towards motivating them to get ranks. b. Students are advised to participate in academic competitions & get prizes. c. Encouraged to take part in conference presentations and to do journal publications. d. Advised to improve their leadership capability and take up the responsibility of organizing functions in the department level. e. To inculcate the social responsibility and moral values. f. Helps to improve their soft skill capability and develop their overall personality. g. The Students those who are good in extracurricular activities

Maintenance pertaining to building, classroom rooms, furniture, electrical fittings, and plumbing are to be recorded in the Maintenance complain Register (MN 05) kept in the office. Complains are noted on daily basis by the Maintenance Department and actions initiated/taken are recorded immediately and reviewed by the Principal. Complaints of immediate attendance can also be informed directly to the Maintenance Department. Principal formulates a committee and appoints convener and members for stock verification for all the laboratories, furniture in the department, library and office at the end of the year to verify the stock position and to monitor the maintenance. Principal reviews the report and suitable corrective and preventive actions are initiated as required. The report is maintained by the Office. For computer laboratories preventive maintenance schedule as per MN 02 is maintained. Based on the

schedule, maintenance is carried out and recorded in MN 03. For other laboratories, equipments are checked before the commencement of the cycle of experiment. Problems if any identified are recorded in MN 03. HoD initiates necessary action to service the equipment on the approval of Trust Office through the Principal. If the requirement of the syllabus cannot be fulfilled by the end of the semester, it is brought to the notice of the Principal through HOD. The laboratory technician / programmer verifies the condition of the components/equipment at the end of every laboratory session. The breakage of the components/equipments is recorded in the breakage register (MN 04) against the student's name (if known) with the signature of the course coordinator. Students shall replace the broken components otherwise breakage amount shall be collected from them before they are appearing for final practical examination. The general breakage based on MN 03 and MN 04 shall be collected from the students at the end of the semesters. Laboratorywise list of equipments shall be prepared as per MN 07 with EIN by the laboratory incharges appointed by the HoD. During audits/stock verification/Inspection these items are verified. The MN07 is updated on every new purchase by the lab incharge.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The activities and representations of students play a vital role on academics and administrative bodies of the College. The Student Council, Class Committee Meeting, Alumni Association and Contributions are the forums in which the students can share their feedbacks, views, suggestions, opinions, grievances if any, and contributions. There are numerous clubs in the college in which the

students can be a part of the Club and its activities and exhibit their skills and talents. The cells which function as benefits for integrating students are Departmental Mentoring System, Counseling Cell, Placement Cell, Grievance Redressal Cell, Women's Cell, ExtraCurricular Activities, and Tutor ward meeting. Student Council: The Student Council is a part of the academic body in which two students (one male and one female) from each class are elected by the fellow students to represent their respective classes. The student council operates in many forms. The representatives of the classes pass on requests, ideas and complaints of the students in the student council. The discipline and decorum of the College is supported by the Student Council. The students can voice out the problems they face elsewhere in the campus. The Student Council is held once in a month to make the students aware of the upcoming events, the functioning of the college, discipline issues, rules and regulations of the college, new initiatives taken by the college, placements and so on. It also helps to share students' ideas, interests, and concerns with teachers and the Principal. There were four Student Council meetings conducted in the academic year 20182019. Dr. P. Baby Shakila, the Principal addressed the students and discussed on various aspects fo the welfare of the students and college discipline: 1. Discipline should be maintained in car parking area, corridor, main gate and inside the campus. 2. Usage of cell phones inside the classroom and the exam hall is strictly prohibited. 3. During exam hour, the student should not take a break and advised not to go to restroom, selfdiscipline is important. 4. III year students were advised to prepare good and neat resume for their placements. 5. Students who lack in attendance will not be allowed to write a semester exam. 6. Students are asked to join in the club activities as there are more number of clubs created for cocurricular activities. 7. Students are advised to register their vehicle in the myclassroom. 8. Students are asked to wear ID card compulsorily inside the campus. 9. Discipline should be maintained in both boys and girls hostel. 10. Students will be given TC, if involved in any clashes. 11. Students were informed about the newly appointed Physical Directors for boys and girls separately. 12. The girl students were asked not to get down from the college bus during the travel. 13. III Year students are advised to select the project topics. 14. The Principal encouraged the students to present and publish papers in International Conference. 15. The students were instructed to maintain decency in dress code and hair styling. 16. Money

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The Alumni Association runs with a smooth flow every year provides an informal database of students' progression during interactions. Alumni meet is held on first Saturday of April every year. Every year the association promotes several welfare schemes for the existing students. Through alumni association, the alumni progression is tracked and recorded. The Alumni Association runs with a peer team which includes President (Alumni), Vice President, Secretary, Joint Secretary and Treasurer. They provide professional experience and placement information with regard to corporate expectation. The Feedback from Alumni serves to improve in the prospectus of career building and curriculum design. Nearly 485 alumni participated in the Alumni Meet (20182019). They eagerly participated in various activities which were conducted for them. The Alumni and the teachers discussed on various aspects. They discussed on creating an Employment Portal, which will be useful for the job seekers and this will be implemented in the current academic year. Alumni meet and students' feedbacks at the end of each semester are used to review the activities of the institution. The Alumni are invited as resource person for seminars, workshops, conferences and guest lectures. Prominent alumni are felicitated in the

Orientation Program conducted for the first year students. The Alumni Interaction Program takes place in each department. They provide professional experience and placement information with regard to corporate expectation. 7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Plastic Free Zone Our college campus has been declared as plastic free zone. No plastic is used in any places inside the campus including cafeteria. 2. Waste Management As part of our self-sustainable activities we recycle all our solid and liquid wastes. 2.1 Solid Waste Management 2.1.1 Vermicomposting The waste collected from garden and canteen is processed through vermicomposting plant and converted as organic fertilizer and used for our gardens. 2.1.2 Wealth Out of Waste (WOW) Associated with ITC All our paper waste is sent to ITC for recycling, instead of that, the required stationeries are collected from them. 2.2 Liquid Waste Management 2.2.1 STP Sewage Treatment Plant The liquid waste collected inside the campus is recycled through a dedicated sewage treatment plant and the recycled water is used for gardening and toilet. 3. Rain Water Harvesting System 3.1 Conventional System 4 conventional rain water harvesting system has been implemented inside the campus as per the government guidelines and all the buildings are well connected into this system 3.2 Percolation Pit 45 Rain Water Percolation Pit with the dimension of 100ft depth and 6.5inches diameter was drilled and erected with perforated casing pipe to increase the efficiency of rain water harvesting with the aim of increasing the ground water level. 4. DIA - Digital Internal Assessment To reduce the usage of Papers, for a college with the strength of more than 8000 students we have digitalized the second CIA - Continuous Internal Assessment. 5. No Vehicle Day With the aim of saving fossil fuel, reduction in green house gas emission and prevention of noise pollution, One Day in Every Month is observed as No Vehicle Day. The idea is to reduce the personal vehicles and use more public transportation system.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Articulating skill development via a structured and synchronized Curriculum which motivates, engages and prompts both the giver and taker to learn, achieve, promote, succeed and create amphibian atmosphere are part of the desirable actions for a vibrant academic barometer for a successful academic parameter. At SKASC the young mind are vision oriented with creativity which is visible with the active participation of wards in multidiscipline extra curricular club, along with NCC, NSS, Youth Red Cross are playing a predominant role in developing the caliber of the students which in turn is systematically visible were during the academic year 20182019. 2083 placements offers were cornered by our students which is pinnacle of success at SKASC. All the above was possible because each students whether a passive learner or active Learner are bridged with the gap for enrichment in the programs of their study through advanced learning practice along with the College which has organized multiple extension lecture through external professional academicians and corporate heads which is the way of life at SKASC.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Sri Krishna Arts and Science College one of the premier CoEducation Institution in Coimbatore City under Sri Krishna Institution which is the flagship of Sri Krishna Institution under its banner there are two Arts and Science Colleges, two Engineering Colleges and a Polytechnic College, with more than 26,000 students studying. Sri Krishna Arts and Science College which is at 22nd year old Institution recredited by NAAC with 'A' Grade, the NAAC ReAccreditation saw a higher score than an initial accreditation score. Switching on to Autonomy College as taken an extra mile in order to establish its prominent and visibility in the society and in the educational field. The main motto is to provide qualitative advance to students self centered educational system which could build a strong and bright career to all its wards. This made the Institution to be ranked at the top slot in all the National Ranking activities. Higher ReAccreditation Score, Autonomy's (2 cycle), NIRF Ranking since the introduction of 1st Ranking system by Ministry of HRD in 2017. Since then College has always been projected in a outstanding way with 22nd Rank among 8,500, 66th Rank of 13,000 and 53rd Rank among 17,000 Institutions, which clearly projects the superiority of Institutions, under Swachatha National Ranking. The College has been placed on the 4th slot nationally among the 13,500 Colleges at National Level. Taking the cue from the above Rankings and the various other such ranking activities SKASC is creating a jewel for its own crown. College has been selected as a nodal agency for multiple MHRD programs, including Village Adoption, SAP, few to name, Professionalism leads to ethical success in a student career, keeping this in mind the College has inked MOU's with Bombay Stock Exchange, ICAI, Logistics Council of India, Institute of Banking, Red Hat, TCS, Infosys are few Organizations, where in the College syllabi is linked with Corporate Requirements. The track record of last two decades plus clearly pin points that the Institution is bidding for higher positions which would help it to reach the level of self actualized Institutions.

8. Future Plans of Actions for Next Academic Year

- MOOC and NPTEL Courses enable the teaching faculty and students to take up cutting edge courses. This was practiced as a best practice in SKASC to motivate students to complete at least one online course a semester for Additional credit.
- Mapping of Syllabus to Professional Standards and Industry Needs - B.COM (PA) programme has been mapped with Institute of Chartered Accountants of India, New Delhi by underlining the need for CA foundation and to simulate Syllabus in gaining professional Knowledge in Finance.
- Computerization of Outcome Based Education and use of OMR Sheets in evaluation in examination cell which help to scan the mark sheet and display the corresponding results in order to save time and maintain accurateness.
- Eco Initiative - SKASC bagged All India 4th place in Swachtha Ranking in 2018 to spread awareness on the importance of cleanliness in their surroundings and regular societal activities are conducted by students as part of their curriculum to fulfill our Prime Minister Dream of clean India.
- Best Local Chapter in NPTEL More than 5000 students and 300 faculty members have enrolled for NPTEL online courses so far. As recognition SKASC has been awarded as Best Local Chapter by NPTEL in terms of enrollment and percentage of passes.
- Placement offer from Core Companies - SKASC conducts preplacement training sessions to equip students with relevant skills in their respective fields. About 90-95 aspiring students were placed in reputed companies every year.
- Sri Krishna Arts and Science College is planning to move towards globalization of higher education by joining with eminent American universities in the globalization of higher studies programme in SKASC.
