11.	INFRASTRUCTURE AVAILABLE				
	Sri Krishna Arts and Science College was established in 1997. It is an autonomous institution imparting quality education which caters to the national need of the day. The College is situated amidst sylvan surrounding with a green campus and some state-of-the-art buildings of over 5,86,094 sq.ft. It offers the best environment for imparting and imbibing knowledge. It is easily accessible from any part of the city and adjacent to the				

National Highway on Palakkad Road. It was started with 17 students in 1997 and it has seen phenomenal growth. At present, with 26 UG programmes, 12 PG programmes, one Integrated Programme and 4 Research programmes 6,874 students are studying in the College. The College has been accredited at 'A' Grade by NAAC with the **CGPA of 3.10** in the **year 2009** and subsequently reaccredited at 'A' Grade with the **CGPA of 3.26** in the **year 2015**. The College got 22nd rank in NIRF 2017 overall and 1st among self-financing colleges in India, for its quality assurance. The commerce programme has been ranked 45th position in the week - HANSA survey 2017 in all India basis. All activities and processes of the College are standardized and systemized as per ISO 9001:2008 standards and certified by TUV SUD who conducts the external audit once in a year for the continual improvement of quality systems in the college.

The College plans the requirements for the infrastructural facilities based on the Bharathiar University norms. Accordingly the class rooms, laboratories, faculty rooms and other buildings are constructed. All our classrooms are equipped with interactiveboards and LCD projectors for an interactive learning. For the Laboratories, based on the syllabus approved by the Academic Council and Governing Body, the equipments required for conducting the laboratory exercises are finalized. After that, the duly constituted purchase committee receives the quotations from the leading suppliers and the purchase is made from the supplier who matches the specifications and quality norms.

Each department is provided with well-structured separate rooms for HoD and staff rooms. Separate rest room facilities for men and women are available in all the blocks. Ramp facilities are available for the students to reach the class room and the rest room. The disabled students are accommodated in class rooms available in the ground floors. The Wi-Fi facility is extended for the entire campus.

The campus has safe and secure hostel facilities for boys and girls. The modern kitchen infrastructure with advanced equipments is installed in the hostel. The recreational facilities in hostels like gymnasium, yoga centre, etc. are available. The broadband connectivity and Wi-Fi facility, stationeries, Xerox machine, and DTP facilities are also available in the hostels.

Sports and games

The College has 3.25 acres of ground to cater to the needs of students for outdoors games like Cricket, Football, Hockey, Volleyball, 400 meters standard track with 8 lanes for athletes, Ball Badminton and Kabadi. A separate physical education block is available to cater to the needs of indoor games like Table Tennis, Shuttlecock, Carrom, Chess etc. Our College has a Multi Station Gym Equipment with all standard accessories. The College has employed a well-qualified Physical Director to train and motivate the sports students. Every year the College conducts Sports Day function and awards the students and staff for their achievement in sports.

Facilities for cultural events

The College has a State-of-the-art Open Air Theatre (OAT) to conduct various cultural and arts club events by the departments.

The Sri Krishna Hall (Multipurpose auditorium) with the capacity of 3000 Students and

Convention Centre with the capacity of 450 students used as common facility.

Facilities for Technical Events

Seminar Hall - I with the capacity of 220 students

Seminar Hall - II with the capacity of 140 students

Seminar Hall - III with the capacity of 220 students

Library

Sri Krishna Arts and Science College Library aims at developing a more comprehensive collection of print and electronic resources, giving a vital support to the academic and research needs of the College. The total area of the Library is 30,000Sq.ft and the total seating capacity is 350. The Library is well equipped with separate Reading Hall, Research Scholars Hall, Stack Rooms and Digital Library etc. The three floor Library building has a clear layout map with wall indicators and a copy of the Library floor plan is displayed on the notice board along with rules and regulations of the Library. It provides easy access for accessing books subject wise and also on DDC (Dewey decimal classification) scheme. The fire extinguishers are provided in all floors and they are periodically refilled. For differently abled users Library resources will be provided through Library Assistants.

Information and Communication Technology plays a vital role to facilitate and enhance the quality in education. In this regard the College has made all efforts to enhance the IT related infrastructure so that the faculty and students have opportunity to work in a digital environment. The college has 916 systems, 7 servers and accessories. The College has 14 Labs with 916 systems including 66 Laptops, 7 servers and accessories.

The following are the campus specific initiatives undertaken to improve the physical ambience of the campus,

Rainwater harvesting facility is available.

Solid waste management facility is available in the campus.

Initiatives have also been taken to paint all the buildings in the Campus.

Landscaping and tree plantations are done throughout the campus to maintain a green environment.

Intercom with Direct Inward Dialling (DID) facility is made available for all the laboratories and faculty rooms.

Fire extinguishers are periodically inspected for the proximity to a potential hazard.

Mineral water supply in the campus ensures portable water for all the members of the College.

Maintenance of waste water management plant, in which treated water from the sewage treatment plant is recycled for use in gardening.

The garden maintenance and security services are outsourced.

12. RESEARCH ACTIVITIES

All the faculty members and students are encouraged to involve in research activities. Constant efforts are taken by the faculty to submit research proposals to various funding agencies. Apart from this they avidly present papers in national and international conferences and publish research articles in leading journals. The institute also facilitates faculty to pursue research by registering M. Phil and Ph.D. Fast learners among the students are mentored by faculty to carry out research and development.
