

Sri Krishna Arts and Science College

RESEARCH ACTIVITIES

All the faculty members and students are encouraged to involve in research activities. Constant efforts are taken by the faculty to submit research proposals to various funding agencies. Apart from this they avidly present papers in national and international conferences and publish research articles in leading journals. The institute also facilitates faculty to pursue research by registering M. Phil and Ph.D. Fast learners among the students are mentored by faculty to carry out research and development.
