# JAIPUR NATIONAL UNIVERSITY

FOCUS  
EDUCATION

EXCELLING EACH DAY, CELEBRATING PROGRESS

"Excellence is not an exception; it is a prevailing attitude."

- Colin Powell

**Dr. Sandeep Bakshi - Chancellor**  
JAIPUR NATIONAL UNIVERSITY

Ensuring quality education is one of the most important things we can do for future generations. The discipline of education particularly in our Universities urgently needs to find a voice, to set out a vision for itself and to state what its purpose should be in the modern world. The need today is to have institutions that are exemplars of excellence at par with the best in the world. Driven, Competitive, Aspirational Just like Jaipur National University which has proved beyond doubt that it is possible for private players in higher education to remain committed to their noble ideas and vision and usher in positive change. The University, ranked among the top 30 in the country by India Today, aims at being a public intellectual platform and a venue for creating research knowledge through active overall engagement with the student community, course content, pedagogy and assessment.

JNU Medical College provides quality education and clinical experience to medical students in a challenging and invigorating environment. The hospital has been a major player during the Covid pandemic, partnering with the state government in offering testing facilities and other medical care, to flatten the Corona. The programmes of the University are duly recognized and approved by national regulatory bodies like UGC, NCTE, MCI, BCI, PCI, NCI and NAAC.

Chancellor Dr. Sandeep Bakshi strongly advocates teamwork, collaborative problem solving and a sense of purpose combined with unyielding passion. Resonating the words of the great Brain Tracy, Dr. Bakshi strongly reiterates that one must aspire for greatness because anything less than a commitment to excellence becomes an acceptance of mediocrity.

The institute, in fact, lays a lot of emphasis on its students participating in culinary competitions, both national and international, and the faculty and students work as a team to prepare for such challenges. For instance, IHM Pusa students frequently participate in World Skills Competition in categories such as food production, food and beverage, and landscaping. One of the students won a medallion at the

World Skills Competition held in Abu Dhabi, UAE, in Restaurant Skills in 2018. Closer home, this year, students participated in the inter-IHMs Bakery Skill Competition at CIHM, Chandigarh, and an IHM Pusa student won the top prize. Another IHM Pusa student won the second prize in the Swachhata Action Plan 2019 organised by the institute. When it comes to placements, the top campus recruiters are The Oberoi Group, Taj Hotels, ITC, Marriott Hotels, Hilton Hotels & Resorts, Lemon Tree Hotels, Shopper’s Stop and Jubilant Foodworks, to name a few.
