

## SAINT PETER'S UNIVERSITY

**Sri Krishna Arts and Science College (SKASC), Coimbatore, Tamilnadu, India** has signed a MOU with Saint Peter's University (SPU), a not-for-profit education corporation, located at 2641 John F. Kennedy Boulevard, Jersey City, NJ 07306, United States of America.

SPU is a private Jesuit university in Jersey City, New Jersey. Founded as Saint Peter's College in 1872 by the Society of Jesus, the university offers over 60 undergraduate and graduate programs to more than 2,000 undergraduate and 800 graduate students. Its mascot is the peacock and its sports teams play in the Metro Atlantic Athletic Conference, of which it is a founding member. The university is located on a 30-acre (0.12 km<sup>2</sup>) campus just south of Journal Square, which is 2 miles (3.2 km) west of Manhattan. Evening and weekend classes are offered in Jersey City, Englewood Cliffs, and South Amboy. Alumni of the university include a Presidential Medal of Freedom recipient, winner of the Pulitzer Prize, a U.S. Senator and members of the U.S. House of Representatives, federal judges, academics, physicians, and CEOs.

The intent of this MOU is to develop a long term, mutually beneficial relationship offering study-abroad and student exchange opportunities to each institution's students.

### **PROGRAMS OFFERED.**

Please refer the college website for programme details.

#### **UG:**

- BBA
- Computer Science

#### **PG:**

M.Sc Data Science

[Saint Peters University - Areas of Study \(UG & PG Programmes \)](#)

The following are the pathways of programme

**1. Academic Pathways.** SKASC and SPU agree to offer, to both institution's students, academic pathways including:

- **Traditional 2+2**, with students studying at the home institution and completing at the partner institution;
- **Accelerated 2+1**, for SKASC students interested in earning an American degree at SPU. Here, SKASC students will take low-cost, online, supplemental courses, with summer programming, to enter the third year of study with ninety (90) SPU credits and completion of the bachelor's program within no more than three years total;
- **Accelerated 3+2 or 4+1**, for SKASC students interested in earning an American Master's Degree at SPU. Here, the students will study 3 years at SKASC and join SPU for Master programme for 2 years (In case 3 Years UG) or 1 year master Programme (in case 4 year UG) and earn Master's Degree with low cost.

- **A Summer J1 program**, for SKASC students interested in touring the United States for a period of about one month to two months and earning college credit;
- **A Dual Degree Pathway**, for both SPU and SKASC students to earn a degree at the other's institution while studying at the home institution. For SKASC students, this would enable them to earn an American degree with some or no physical presence in the U.S., while still earning a full bachelor's degree from SKASC.

**2. Summer Programs.** SKASC and SPU agree to offer, starting in Summer, several three (3)-credit, 10-day courses to SKASC students. SKASC will recruit students for the courses, with both parties agreeing upon a minimum level of enrolment, course cost, and revenue share. SPU will commit to identifying and bringing top academic and business leaders to teach the courses.
