## ABOUT THE INSTITUTION

Sri Krishna Arts and Science College with a vision of "Fitness for Purpose" established in the year 1997 is an autonomous Institution imparting Quality Education imbuing scientific and artistic knowledge to the needs of the current generation. The Learning Model of Sri Krishna Arts and Science College is the "Vision to Wisdom Approach". The college employs Knowledge-based Learning, industry-Exposure Training, and a Capstone Evaluation Model, all of which are tied to Outcome Based Education and enable students to prepare students for entering the workforce as soon as they complete their degree at Sri Krishna Arts and Science College

## PROGRAM OBJECTIVES

This conclave is tailored for students and aspiring professionals, focusing on key aspects of modern financial management. It explores the expanding "Scope of Finance in the Finance World," highlighting transformative innovations and global trends shaping the financial landscape. Engaging sessions on "Corporate Governance" will emphasize ethical decision-making, transparency, and sustainable governance. Additionally, discussions on "The Role of Taxation in Business Financial Planning" will provide practical strategies for effective tax planning and compliance. Bridging theory with real-world applications, the conclave equips participants with the expertise and forward-thinking skills to excel in today's dynamic financial environment.

## ABOUT THE DEPARTMENT

The Department of Commerce PA & CS aims at imparting quality education, giving prominence to the Professional Accounting & Corporate Secretaryship. The curriculum is designed with the latest guidelines, syllabus, and regulations provided by ICAI and ICSI. The department employs experienced and qualified faculty members who are well-versed In ICAI's and ICSI's curriculum. The department also encourages its budding professionals to participate in professional development activities, such as attending seminars, webinars, conferences related to the field, and qualified in Foundation and Inter group 1 courses.

## PROGRAM OUTCOMES

Attending this conclave will provide participants with actionable insights into key financial disciplines shaping the future of business. Explore the expansive "Scope of Finance in the Finance World," gaining an understanding of innovative trends and technological disruptions redefining financial systems. Sessions on "Corporate Governance" will offer strategies for enhancing transparency, ethical decision-making, and sustainable management. Additionally, "The Role of Taxation in Business Financial Planning" will deliver expert guidance on optimizing tax strategies and ensuring compliance. This event equips you with advanced skills, forward-thinking strategies, and a comprehensive grasp of modern financial complexities.
