Beyond the field, our sports clubs and societies have been working diligently to engage students in a wide range of recreational activities. From yoga and aerobics to rock climbing and martial arts, these clubs offer diverse avenues for students to explore their interests and discover hidden talents. I encourage each and every one of you to make the most of these opportunities and actively participate in the sporting events and activities organized by our college.

Their passion and commitment are instrumental in shaping our athletes' careers and making our college a hub of sporting excellence.

I urge each and every one of you to embrace the spirit of sportsmanship, display unwavering dedication, and support your fellow students as they chase their dreams on and off the field. Together, let us create a legacy of sporting success and camaraderie that will inspire generations to come.
